NOTWITHSTANDING ANY PROVISION TO THE CONTRARY CONTAINED IN THIS AGREEMENT, THE OBLIGATIONS OF INDEMNITY SET FORTH IN THIS SECTION 3 SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

4. Default; Remedies. Failure by Licensee or Residents to comply with any of its duties or obligations hereunder may result in the immediate termination of this Agreement by Licensor, in Licensor's sole and absolute discretion. In the event of any such termination, Licensee and Licensee Parties shall immediately and completely vacate the Property and remove all of their personal property therefrom. Notwithstanding the foregoing, in the event of any default by Licensee hereunder, Licensor shall be entitled to seek and enforce any remedy available to Licensor under applicable law, including (without limitation) an award for consequential damages.

5. Entire Agreement. This document sets forth the entire and complete agreement between the Parties with respect to the subject matter hereof. Any prior agreements, commitments, or representations, express or implied, between the Parties are superseded by this Agreement. This Agreement may be altered, amended, or repealed only by a written instrument executed by both Parties.

6. Attorneys' Fees. In the event any arbitration, action, suit or legal proceeding is instituted by either Party to this Agreement, the prevailing Party shall be entitled to recover from the non-prevailing Party both reasonable attorney fees and reasonable expert witness fees as determined by the court or arbitration panel, both at trial and on appeal or review and in bankruptcy, whether or not the matter in dispute involves an issue peculiar to federal bankruptcy law. Attorney fees and expert witness fees shall be in addition to other costs and disbursements allowed by law. "**Prevailing Party**" shall be determined by the arbitrator, or any court, as the true prevailing Party (not statutorily prevailing Party) after taking into consideration any settlement offers made by the Parties and the number and importance of issues to be determined. If Licensor becomes involved in litigation (as a plaintiff, defendant, or cross-claimant or cross-defendant) by reason of any debt incurred by Licensee or Residents, any alleged personal or bodily injury or property damage related to the Property or Licensee or Residents' conduct related to this Agreement, and/or any matter for which Licensee has an indemnity obligation hereunder, then Licensee agrees to fully defend Licensor, using lawyers of Licensor's choice, upon Licensor tendering its legal defense to Licensee. Should Licensee refuse the tender of defense, then Licensee shall be liable to Licensor for all its costs and fees incurred in connection with such litigation.

7. Applicable Law; Time of the Essence; No Waiver; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State where the Property is located. Time is of the essence with respect to all of the duties and obligations of Licensee hereunder. Failure by Licensor at any time to require strict performance by Licensee of any provision hereof will in no way affect Licensee's rights hereunder to enforce such provision nor will any waiver by Licensor of any breach of any provision hereof be held to be a waiver of any succeeding breach of any such provision or as a waiver of the provision itself. In addition, the Parties agree that in the event of any dispute concerning this Agreement, venue for any cause of action arising out of, or having to do with, this Agreement shall be, and is, in Multnomah County, Oregon.

8. Counterparts. This Agreement may be executed in two or more counterparts, whether by facsimile transmission, electronic .pdf version or otherwise, and each counterpart shall be deemed to be an original, but all of which together shall constitute one and the same instrument upon delivery of one such counterpart by each Party to this Agreement.
9. Remedies Cumulative; Sale by Licensor. Any and all remedies for default set forth in this Agreement shall be cumulative and shall be in addition to other remedies provided by law or in equity. Any election to pursue a particular remedy by any Party shall not constitute a waiver of the right held by that Party to pursue any other remedy. In the event the Property is sold by Licensor, this Agreement shall immediately terminate and be of no further force and effect.
10. Authority. The individual executing this Agreement on behalf of each Party represents, promises, warrants and pledges unto the other Party that he or she has all requisite power and authority to execute this instrument on behalf of such Party.

12. Assignment. This Agreement is personal to Licensee, and may not be sold, conveyed, assigned or otherwise transferred in whole or in part to any third party without the prior written consent of Licensor, which may be withheld, conditioned or delayed in Licensor's sole and absolute discretion. It shall be an event of default hereunder for Licensee, without the prior written consent of Licensor, to sell, convey, assign or otherwise transfer any rights arising out of or related to this Agreement, without the prior written consent of Licensor (a sale of controlling interest in the entity comprising Licensee shall be deemed a sale requiring the prior written consent of Licensor). If Licensor consents to assignment of any of Licensee's duties hereunder, Licensee shall remain jointly and severally liable for performance by assignees with respect to compliance with this Agreement.
13. No Representation by Licensor. Licensee has inspected the Property and area thereof covered by the License and is familiar with conditions and accepts them for use in their present condition. In entering into this Agreement, Licensee is not relying on any other representations as to the present or future condition of the Property, or the condition of any roads located thereupon, and the soils or rock located thereupon. Licensee agrees that in consideration of this Agreement, and the inspection of the Property made by Licensee prior to the execution hereof, Licensee waives any and all claims to any damage or damages by reason of death or injury to any party, caused by reason of acts of nature. The Parties further agree that Licensee is aware that Licensor engages in felling, cutting, hauling away of trees, and other forest products situated and growing upon the property of Licensor, including (without limitation) the Property, and rock and mineral mining and hauling thereupon. It shall be the duty of Licensee to take care and to be aware of those areas on which forest practices, mining or hauling activities or similar operations are taking place.
14. Notices. All notices required or permitted to be given hereunder, or given in regard to this Agreement by one Party to the other, shall be in writing and the same shall be given and be deemed to have been served, given and received (i) if delivered by hand, or facsimile transmission, when delivered in person or the transmission is received at the address or facsimile number set forth hereinafter for the Party to whom notice is given, or (ii) if mailed, when placed in the United States mail, postage pre-paid, by certified mail, return receipt requested, addressed to the Party at the address hereinafter specified.
