## **ARTICLE 19 – GRIEVANCE PROCEDURE**

Grievances must have occurred within the past thirty (30) days to be eligible for processing.

**19.1.1 Step One:** The employee and/or the Steward shall discuss the grievance with the employee(s) immediate non-represented Supervisor. A Union Steward shall be present unless such presence is specifically waived by the grievant. **19.1.2 Step Two:** The Union shall have the right to take up disciplinary actions as a grievance at the second step of the grievance procedure by filing it directly with the Official within 30 working days of the administration of discipline to an employee. A Step Two grievance shall be stated in writing and shall contain the following information:

- B. The remedial action requested.
- C. The Section(s) alleged to be improperly administered or violated.

The Official or his/her designee shall meet with the Union and the grievant and shall attempt to resolve the grievance. If the grievance is not resolved in writing within five (5) working days following the meeting, the Union may proceed to Step Three.

**19.1.3 Step Three:** Copies of the grievance shall be forwarded by the Union to the Board within ten (10) working days of the Step 2 decision. After receipt of the grievance, the Board shall meet with the Union. The grievant has the right to be present at this meeting. The Board shall render a written decision within fifteen (15) working days of this meeting.

**19.1.4 Step Four:**

**19.1.4.1** To proceed with this Step, the Union must serve written notice of a demand for arbitration on the Employer within twenty (20) regular working days after receipt of the decision in Step Three. The arbitration demand shall be accompanied by a written explanation of how and/or why the Employer's Step Three decision failed to satisfactorily resolve the grievance.

19.1.4.2 Within ten (10) working days from the submission of the request for arbitration, the parties will attempt to mutually agree upon an arbitrator. If an arbitrator is not mutually agreed upon, either party may request a list with the names of at least seven (7) arbitrators from either the Public Employment Relations Commission (PERC) or the Federal Mediation and Conciliation Service (FMCS). Within ten (10) working days after receipt of the requested list of names, the parties shall confer and alternately strike names from the list until one (1) name remains who shall serve as the arbitrator. A toss of a coin shall determine who strikes the first name.

19.1.4.4 In any arbitration proceeding held pursuant to this Agreement, the arbitrator shall have no authority to render any decision that will add to, subtract from or alter, change or modify the terms of this Agreement. The power of the arbitrator shall be limited to interpretation or application of the express terms of this Agreement and all other matters shall be excluded from arbitration. The decision of the arbitrator shall be made in writing within thirty (30) days after the conclusion of testimony and shall be final and binding on both parties.

19.1.4.5 The cost of the arbitrator's services shall be borne by the parties equally. The grievant(s) and the relevant county-employed Union representative(s) may attend the arbitration hearing without loss of regular compensation. Each party shall be financially responsible for its attorney fees and its presentation costs.

SECTION 19.2 Failure of the Union to follow the steps, methods and time limits prescribed herein shall constitute abandonment of the grievance. Failure of the Employer to follow the steps, methods and time limits beyond Step One prescribed herein shall resolve the grievance in favor of the Union. The parties may mutually agree in writing to extend the time limits. Parties concerned in any grievance shall continue to work according to conditions, which existed prior to the dispute until such time as the grievance has been resolved or through Step Three of the grievance procedure, whichever is earlier.

SECTION 19.3 A grievance may be terminated at any time upon receipt of a signed statement from the Union that the matter has been resolved

At the option of the County on a case-by-case basis after considering the severity of the restriction(s) and instruction(s) of the treating physician and work availability, a returning employee may be temporarily assigned to restricted or light duty. Such restricted or light duty work may not afford the employee full-time employment hours. An employee must return to work within five (5) working days of release for unrestricted employment from the treating physician. The employee will then be placed in the same position or in a like position to the one he/she held prior to being injured.

SECTION 24.3 If during a calendar month, the total compensation paid to the employee by combining State Industrial and employee annual leave and medical leave credits is an amount

The County may, at its option and expense, request that the employee pass an evaluation by an independent physician, relating only to the reasons for the leave, in order to assure that the employee is still eligible and meets the requirements for employment.

Upon satisfactory completion of his/her probationary period, a regular member shall be awarded forty eight (48) hours of medical leave and shall thereafter earn and accrue Medical Leave to a maximum of nine hundred sixty (960) hours at the rate of eight (8) hours for each qualified month of employment. Medical leave shall be credited to a member's medical leave accrual account at the start of the first working day of the month following accrual. Except for an employee's final month of employment, medical leave shall not be credited to a member's account, nor shall it be authorized for use, during the month of accrual. Applicable only to an employee's final month of employment, his/her final month's medical leave accrual shall be credited on his/her last day of employment. Medical Leave shall be earned, used and accounted for on a first-in, first-out basis, and shall be taken in blocks of not less than one (1) hour.
- 35.1.2 The amount of medical leave earned per month shall be based upon the percentage of full time equivalent FTE position to which the employee has been appointed by the Board of County Commissioners. For example, an employee appointed to a regular 0.5 FTE position shall accrue 50% of the medical leave hours indicated in this Article.

**SECTION 35.2 Medical Leave Bank** - Except for conversions due to retirement as later noted herein, the first three hundred sixty (360) hours of unused Medical leave shall accumulate into a Medical Leave bank and be available to the employee solely for the purpose of Medical Leave.

**SECTION 35.3 Conversion to Annual Leave** - Medical Leave accumulated and unused between three hundred sixty (360) and nine hundred sixty (960) hours may be converted into annual leave during January and July each year. The rate of conversion will be eight (8) hours annual for every thirty two (32) hours of accumulated Medical Leave in excess of seven hundred twenty (720) hours, eight (8) hours of annual leave for every twenty four (24) hours of accumulated Medical Leave in excess of four hundred eighty (480) hours but not more than seven hundred twenty (720) hours, and eight (8) hours of annual leave for every sixteen (16) hours of accumulated Medical Leave in excess of three hundred sixty (360) hours but not more than four hundred eighty (480) hours.

- 35.3.1 Medical Leave hours accumulated and unused in excess of nine hundred sixty (960) hours will be converted into annual leave at the rate of eight (8) hours of annual leave for every thirty two (32) hours of accumulated Medical Leave in excess of nine hundred sixty (960) hours and added to the member's annual leave bank.
- 35.3.2 In the year of retirement and upon submission of a written notice of such, a member may convert their entire accumulated Medical Leave Bank into annual leave according to the above schedule, except that the first three hundred sixty

(360) hours of accumulated Medical Leave may also be converted at the rate of eight (8) hours of annual leave for every sixteen (16) hours of accumulated Medical Leave.

35.3.3 There is no severance pay for accumulated and unused Medical Leave except that converted into annual leave.

SECTION 35.4 Eligibility - Members are eligible for medical leave either for themselves or members of their immediate families for the following reasons:

- A. Non-occupational personal illness, physical disability, or death/bereavement.
- B. Quarantine of an employee by a physician for non-occupationally related disability.
- C. Doctor, dentist, etc. appointments; and
- D. Injury Time Loss Compensation as provided in Article 24.

SECTION 35.5 Restrictions - Abuse of Medical Leave privileges shall be cause for dismissal. An employee who is unable to report to work because of any of the reasons set forth hereinabove shall report the reason for the absence to the Official by telephone or in person each day of absence, unless earlier arranged otherwise, within twenty (20) minutes of his/her section's scheduled starting time. Medical Leave with pay shall not be allowed unless such report has been made. The Official may require a physician's statement from the employee certifying that the employee's condition prevented them from appearing for work after three (3) consecutive workdays of medical leave.

SECTION 35.6 Bereavement Leave - Paid Bereavement leave not to exceed three (3) workdays may be used due to death of any member of the employee's immediate family. Should extended travel become necessary for death in the immediate family, special arrangements can be made at the discretion of the Official. Bereavement Leave must be taken within (30 days) of the date of death unless extenuating circumstances exist and a different timetable of usage has been approved by the Official. Requests for an extended timetable of usage of Bereavement Leave in response to extenuating circumstances shall not be unreasonably denied. One (1) day of sick leave may be used for the death of a family member not included in the definition of Immediate Family in Article 1.

SECTION 35.7 Severance - No severance pay for accumulated and unused medical leave as of May 1, 1984, will be paid to any employee unless the employee gives notice of intention to terminate to the Official at least fourteen (14) calendar days prior to the specified termination date.

## **ARTICLE 36 – DOMESTIC VIOLENCE LEAVE**

In accordance with State statute, an employee is eligible to receive reasonable leave from employment if the employee, or the employee's family member as described by RCW 49.76.020, is a victim of domestic violence, sexual assault, or stalking, for the express purpose of participating in legal proceedings, to receive medical treatment, or to obtain

other necessary services related to an incident of domestic violence. ## **ARTICLE 37 – EMBODIMENT**

This Agreement constitutes the complete and entire Agreement between the parties and neither the County nor the Union shall be bound by any requirement not specifically stated in this Agreement or applicable state or federal laws. The County and the Union acknowledge that each party has had ample opportunity to submit proposals and negotiate over wages, hours and working conditions and any subject matter not removed from the collective bargaining process by law. The parties further agree that negotiations will not be reopened on any item during the life of this Agreement, except as otherwise provided herein or by mutual consent. Agreement to open a portion or section of the Contract does not open the remainder of the Contract for negotiations.

## **ARTICLE 38 – NO STRIKE, SLOW UP, OR WORK STOPPAGE**

SECTION 38.1 The Union and its members, individually and collectively, agree that during the term of this Agreement, there shall be no strike, slow up, or work stoppage.

SECTION 38.2 In the event of an unauthorized strike, slow-up, or work stoppage, the County agrees that there will be no liability on the part of the Union provided the Union promptly and publicly disavows such unauthorized strike, slow-up, or work stoppage, orders the employees to return to work, and attempts to bring about a prompt resumption of normal operation; and provided further that the Union notifies the Board, in writing, within three (3) working days after commencement of such strike, slow-up, or work stoppage, what measures it has taken to comply with the provisions of this Section.

SECTION 38.3 In the event that such action by the Union has not affected resumption of normal work practices, the County shall have the right to discipline, by way of discharge or otherwise, any member of the Union who participates in such strike, slow-up, or stoppage.

SECTION 38.4 In the event of strike, slow up or work stoppage, the Union agrees that it will not interfere with Elected and Appointed Officials and other exempted employees in any way concerning the performance of their duties. Such precautions are necessary to keep the physical property and records in condition so that operations may resume without delay.

## **ARTICLE 39 – SAVINGS AND SEVERABILITY**

The provisions of this Agreement are declared to be severable if any section, subsection, sentence, clause or phrase of this Agreement shall for any reason be held to be invalid or unconstitutional. Such decisions shall not affect the validity of the remaining sections,

subsections, sentences, clauses or phrases of this Agreement, but they shall remain in effect, it being the intent of the parties that this Agreement shall stand, notwithstanding the invalidity of any part. The parties agree to immediately meet and negotiate a replacement for the invalid provision. Should changes in State or Federal Law hold any of the terms or conditions of this Agreement invalid, such terms or conditions affected shall be renegotiated to comply with the State or Federal Law.

**ARTICLE 40 – AGREEMENT**

This Agreement shall be in effect from July 1, 2011 through June 30, 2014 subject to timely negotiations commencing no later than March 15, 2014. The Agreement may be altered by mutual agreement of the parties.
