A.2 SINGLE AUDIT ACT REQUIREMENTS (INCLUDING ALL AMENDMENTS)

Non-federal entities as subrecipients that expend \$500,000 or more in one fiscal year of federal funds from all sources, direct and indirect, are required to have a single or a program-specific audit conducted in accordance with the Office of Management and Budget (OMB) Circular A-133-Audits of States, Local Governments, and Non-Profit Organizations (amended June 27, 2003, effective for fiscal years ending after December 31, 2003, and further amended June 26, 2007). Non-federal entities that spend less than \$500,000 a year in federal awards are exempt from federal audit requirements for that year, except as noted in Circular No. A-133. As defined in Circular A-133, the term "non-federal entity" means a State, local government, or non-profit organization, and the term "State" includes Indian tribes. Circular A-133 is available on the OMB Home Page at <http://www.omb.gov>.

Sub-grantee required to have an audit must ensure the audit is performed in accordance with Generally Accepted Government Auditing Standards (GAGAS) as found in the Government Auditing Standards (the Revised Yellow Book) developed by the Comptroller General and the OMB Compliance Supplement. The Sub-grantee-grantee

has the responsibility of notifying its auditor and requesting an audit in compliance with Circular A-133, to include the Washington State Auditor's Office, a federal auditor, or a public accountant performing work using GAGAS, as appropriate. Costs of the audit may be an allowable grant expenditure as authorized by Circular A-133.

The Sub-grantee shall maintain auditable records and accounts so as to facilitate the audit requirement and shall ensure that any sub-contractors also maintain auditable records.

The Sub-grantee is responsible for any audit exceptions incurred by its own organization or that of its sub-contractors. Responses to any unresolved management findings and disallowed or questioned costs shall be included with the audit report. The Sub-grantee must respond to Department requests for information or corrective action concerning audit issues or findings within 30 days of the date of request. The Department reserves the right to recover from the Sub-grantee all disallowed costs resulting from the audit.

Once the single audit has been completed, the Sub-grantee must send a full copy of the audit to the Department and a letter stating there were no findings, or if there were findings, the letter should provide a list of the findings. The Sub-grantee must send the audit and the letter no later than nine (9) months after the end of the Sub-grantee's fiscal year(s) to:

**Accounting Manager
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

In addition to sending a copy of the audit, the Sub-grantee must include a corrective action plan for any audit findings and a copy of the management letter if one was received.

If Sub-grantee claims it is exempt from the audit requirements of Circular A-133, Sub-grantee must send a letter identifying this Grant Agreement and explaining the criteria for exemption no later than nine (9) months after the end of the Sub-grantee fiscal year(s) to:

**Accounting Manager
Washington Military Department
Finance Division, Building #1 TA-20
Camp Murray, WA 98430-5032**

The Department retains the sole discretion to determine whether a valid claim for an exemption from the audit requirements of this provision has been established.

The Sub-grantee shall include the above audit requirements in any sub-contracts.

Conducting a single or program-specific audit in compliance with Circular A-133 is a material requirement of this Grant Agreement. In the absence of a valid claim of exemption from the audit requirements of Circular A-133, the Sub-grantees failure to comply with said audit requirements may result in one or more of the following actions in the Department's sole discretion: a percentage of federal awards being withheld until the audit is completed in accordance with Circular A-133; the withholding or disallowing of overhead costs; the suspension of federal awards until the audit is conducted and submitted; or termination of the federal award.

A.3 ADVANCE PAYMENTS PROHIBITED

The Department shall make no payments in advance or in anticipation of goods or services to be provided under this Agreement. Sub-grantee shall not invoice the Department in advance of delivery and invoicing of such goods or services.

A.4 AMENDMENTS AND MODIFICATIONS

The Sub-grantee or the Department may request, in writing, an amendment or modification of this Grant Agreement. However, such amendment or modification shall not be binding, take effect or be incorporated herein until made in writing and signed by the authorized representatives of the Department and the Sub-grantee. No other understandings or agreements, written or oral, shall be binding on the parties.

A.5 AMERICANS WITH DISABILITIES ACT (ADA) OF 1990, PUBLIC LAW 101-336, 42 U.S.C. 12101 ET SEQ. AND ITS IMPLEMENTING REGULATIONS ALSO REFERRED TO AS THE "ADA" 28 CFR Part 35.

The Sub-grantee must comply with the ADA, which provides comprehensive civil rights protection to individuals with disabilities in the areas of employment, public accommodations, state and local government services, and telecommunication.

A.6 ASSURANCES

Department and Sub-grantee agree that all activity pursuant to this Grant Agreement will be in accordance with all the applicable current federal, state and local laws, rules and regulations.

A.7 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, OR INELIGIBILITY

As federal funds are a basis for this Grant Agreement, the Sub-grantee certifies that the Sub-grantee is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in this Grant Agreement by any federal department or agency.

If requested by the Department, the Sub-grantee shall complete and sign a Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion form. Any such form completed by the Sub-grantee for this Grant Agreement shall be incorporated into this Grant Agreement by reference.

Further, the Sub-grantee agrees to comply with all applicable federal regulations concerning the federal debarment and suspension system, including 2 CFR Part 180. The Sub-grantee certifies that it will ensure that potential sub-contractors or sub-recipients or any of their principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in "covered transactions" by any federal department or agency. "Covered transactions" include procurement contracts for goods or services awarded under a non-procurement transaction (e.g. grant or cooperative agreement) that are expected to equal or exceed \$25,000, and sub-awards to sub-recipients for any amount. With respect to covered transactions, the Sub-grantee may comply with this provision by obtaining a certification statement from the potential sub-contractor or sub-recipient or by checking the Excluded Parties List System (EPLS) maintained by the federal General Services Administration (GSA). The Sub-grantee also agrees not to enter into any arrangements or contracts with any party on the Washington State Department of Labor and Industries' "Debarred Contractor List."

A.8 CONFLICT OF INTEREST

No officer or employee of the Department; no member, officer, or employee of the Sub-grantee or its designees or agents; no member of the governing body of the jurisdiction in which the project is undertaken or located; and no other official of such the Sub-grantee who exercises any functions or responsibilities with respect to the project during his or her tenure, shall have any personal or pecuniary gain or interest, direct or indirect, in any contract, subcontract, or the proceeds thereof, for work to be performed in connection with the project assisted under this Grant Agreement. The Sub-grantee shall incorporate, or cause to incorporate, in all such contracts or subcontracts, a provision prohibiting such interest pursuant to this provision.

A.9 COMPLIANCE WITH APPLICABLE STATUTES, RULES AND DEPARTMENT POLICIES

The Sub-grantee and all its contractors shall comply with, and the Department is not responsible for determining compliance with, any and all applicable federal, state, and local laws, regulations, executive orders, OMB Circulars, and/or policies. This obligation includes, but is not limited to: nondiscrimination laws and/or policies, Energy Policy and Conservation Act (PL 94-163, as amended), the Americans with Disabilities Act (ADA), the Robert T. Stafford Disaster Relief and Emergency Assistance Act, (PL 93-288, as amended), Ethics in Public Service (RCW 42.52), Covenant Against Contingent Fees (48 CFR Section 52.203-5), Public Records Act (RCW 42.56), Prevailing Wages on Public Works (RCW 39.12), State Environmental Policy Act (RCW 43.21C), Shoreline Management Act of 1971 (RCW 90.58), State Building Code (RCW 19.27), Energy Related Building Standards (RCW 19.27A), Provisions in Buildings for Aged and Handicapped Persons (RCW 70.92), and safety and health regulations.

In the event of the Sub-grantee's or its contractor's noncompliance or refusal to comply with any applicable law, regulation, executive order, OMB Circular or policy, the Department may rescind, cancel, or terminate the Grant Agreement in whole or in part in its sole discretion. The Sub-grantee is responsible for all costs or liability arising from its failure to comply with applicable law, regulation, executive order, OMB Circular or policy.

A.10 DISCLOSURE

The use or disclosure by any party of any information concerning the Department for any purpose not directly connected with the administration of the Department's or the Sub-grantee's responsibilities with respect to services provided under this Grant Agreement is prohibited except by prior written consent of the Department. However, the parties acknowledge that the Department, and state and local agencies as defined in RCW 42.56.010, are subject to RCW 42.56, the state Public Records Act.

A.11 DISPUTES

The Department and Sub-grantee shall make every effort to resolve disputes arising out of or relating to this Grant Agreement through discussion and negotiation. Should discussion and negotiation fail to resolve a dispute arising under this Agreement, the parties shall select a dispute resolution team to resolve the dispute. The team shall consist of a representative appointed by each party and a third representative mutually agreed upon by both parties. The team shall attempt, by majority vote, to resolve the dispute.

Both parties agree that this dispute resolution process shall precede any action in a judicial or quasi-judicial tribunal. Nothing in this section shall preclude the parties from mutually agreeing to a different dispute resolution method in lieu of the procedure outlined above.

A.12 LEGAL RELATIONS

It is understood and agreed that this Grant Agreement is solely for the benefit of the parties to the Grant Agreement and gives no right to any other party. No joint venture or partnership is formed as a result of this Grant Agreement.

To the extent allowed by law, the Sub-grantee, its successors or assigns, will protect, save and hold harmless the Department, the State of Washington, and the United States Government and their authorized agents and employees, from all claims, actions, costs, damages or expenses of any nature whatsoever by reason of the acts or omissions of the Sub-grantee, its sub-contractors, assigns, agents, contractors, consultants, licensees, invitees, employees or any person whomsoever arising out of or in connection with any acts or activities authorized by this Grant Agreement.

To the extent allowed by law, the Sub-grantee further agrees to defend the Department and the State of Washington and their authorized agents and employees in any litigation; including payment of any costs or attorneys' fees for any claims or action commenced

thereon arising out of or in connection with acts or activities authorized by this Grant Agreement.

This obligation shall not include such claims, costs, damages or expenses which may be caused by the sole negligence of the Department; provided, that if the claims or damages are caused by or result from the concurrent negligence of (1) the Department, and (2) the Sub-grantee, its agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Sub-grantee, or Sub-grantee's agents or employees.

Insofar as the funding source, the Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA), is an agency of the federal government, the following shall apply:

44 CFR 206.9 Non-liability. The federal government shall not be liable for any claim based upon the exercise or performance of, or the failure to exercise or perform a discretionary function or duty on the part of a federal agency or an employee of the federal government in carrying out the provisions of the Stafford Act.

A.13 LIMITATION OF AUTHORITY – Authorized Signature

The signatories to this Agreement represent that they have the authority to bind their respective organizations to this Agreement. Only the Department's Authorized Signature representative and the Authorized Signature representative of the Sub-grantee or Alternate for the Sub-grantee, formally designated in writing, shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Grant Agreement. Any alteration, amendment, modification, or waiver of any clause or condition of this Grant Agreement is not effective or binding unless made in writing and signed by both parties Authorized Signature representatives. Further, only the Authorized Signature representative or Alternate for the Sub-grantee shall have signature authority to sign reimbursement requests, time extension requests, amendment and modification requests, requests for changes to projects or work plans, and other requests, certifications and documents authorized by or required under this Agreement.

A.14 LOSS OR REDUCTION OF FUNDING

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Agreement and prior to normal completion or end date, the Department may unilaterally reduce the scope of work and budget or unilaterally terminate all or part of the Agreement as a "Termination for Cause" without providing the Sub-grantee an opportunity to cure. Alternatively, the parties may renegotiate the terms of this Agreement under "Amendments and Modifications" to comply with new funding limitations and conditions, although the Department has no obligation to do so.

A.15 NONASSIGNABILITY

Neither this Grant Agreement, nor any claim arising under this Grant Agreement, shall be transferred or assigned by the Sub-grantee.

A.16 NONDISCRIMINATION

The Sub-grantee shall comply with all applicable federal and state non-discrimination laws, regulations, and policies. No person shall, on the grounds of age, race, creed, color, sex, sexual orientation, religion, national origin, marital status, honorably discharged veteran or military status, or disability (physical, mental, or sensory) be denied the benefits of, or otherwise be subjected to discrimination under any project, program, or activity, funded, in whole or in part, under this Grant Agreement.

A.17 NOTICES

The Sub-grantee shall comply with all public notices or notices to individuals required by applicable local, state and federal laws and shall maintain a record of this compliance.

A.18 OCCUPATIONAL SAFETY/HEALTH ACT and WASHINGTON INDUSTRIAL SAFETY/HEALTH ACT (OSHA/WISHA)

The Sub-grantee represents and warrants that its work place does now or will meet all applicable federal and state safety and health regulations that are in effect during the Sub-grantee's performance under this Grant Agreement. To the extent allowed by law, the Sub-grantee further agrees to indemnify and hold harmless the Department and its employees and agents from all liability, damages and costs of any nature, including but not limited to, costs of suits and attorneys' fees assessed against the Department, as a result of the failure of the Sub-grantee to so comply.

A.19 OWNERSHIP OF PROJECT/CAPITAL FACILITIES

The Department makes no claim to any capital facilities or real property improved or constructed with funds under this Grant Agreement, and by this grant of funds does not and will not acquire any ownership interest or title to such property of the Sub-grantee. The Sub-grantee shall assume all liabilities arising from the ownership and operation of the project and agrees to hold the Department and the state of Washington and the United States government harmless from any and all causes of action arising from the ownership and operation of the project.

A.20 POLITICAL ACTIVITY

No portion of the funds provided herein shall be used for any partisan political activity or to further the election or defeat of any candidate for public office or influence the approval or defeat of any ballot issue.

A.21 PROHIBITION AGAINST PAYMENT OF BONUS OR COMMISSION

The assistance provided under this Grant Agreement shall not be used in payment of any bonus or commission for the purpose of obtaining approval of the application for such assistance or any other approval or concurrence under this Grant Agreement provided, however, that reasonable fees or bona fide technical consultant, managerial, or other such services, other than actual solicitation, are not hereby prohibited if otherwise eligible as project costs.

A.22 PUBLICITY

The Sub-grantee agrees to submit to the Department prior to issuance all advertising and publicity matters relating to this Grant Agreement wherein the Department's name is mentioned or language used from which the connection of the Department's name may, in the Department's judgment, be inferred or implied. The Sub-grantee agrees not to publish or use such advertising and publicity matters without the prior written consent of the Department. The Sub-grantee may copyright original work it develops in the course of or under this Grant Agreement; however, pursuant to 44 CFR 13.34, FEMA reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use the work for government purposes.

Publication resulting from work performed under this Grant Agreement shall include an acknowledgement of FEMA's financial support, by CFDA number, and a statement that the publication does not constitute an endorsement by FEMA or reflect FEMA's views.

A.23 RECAPTURE PROVISION

In the event the Sub-grantee fails to expend funds under this Agreement in accordance with applicable federal, state, and local laws and/or the provisions of the Grant Agreement, the Department reserves the right to recapture funds in an amount equivalent to the extent of noncompliance. Such right of recapture shall exist for the life of the project following Grant Agreement termination. Repayment by the Sub-grantee of funds under this recapture provision shall occur within 30 days of demand.

In the event the Department is required to institute legal proceedings to enforce the recapture provision, the Department shall be entitled to its costs thereof, including attorney fees.

A.24 RECORDS

- a. The Sub-grantee agrees to maintain all books, records, documents, receipts, invoices and all other electronic or written records necessary to sufficiently and properly reflect the Sub-grantee's contracts, grant administration, and payments, including all direct and indirect charges, and expenditures in the performance of this Grant Agreement (the "records").
- b. The Sub-grantee's records related to this Grant Agreement and the projects funded may be inspected and audited by the Department or its designee, by the Office of the State Auditor, DHS, FEMA or their designees, by the Comptroller General of the United States or its designees, or by other state or federal officials authorized by law, for the purposes of determining compliance by the Sub-grantee with the terms of this Grant Agreement and to determine the appropriate level of funding to be paid under the Grant Agreement.
- c. The records shall be made available by the Sub-grantee for such inspection and audit, together with suitable space for such purpose, at any and all times during the Sub-grantee's normal working day.
- d. The Sub-grantee shall retain and allow access to all records related to this Grant Agreement and the funded project(s) for a period of at least six (6) years following final payment and closure of the grant under this Grant Agreement.

A.25 RESPONSIBILITY FOR PROJECT/STATEMENT OF WORK/WORK PLAN

While the Department undertakes to assist the Sub-grantee with the project/statement of work/work plan (project) by providing grant funds pursuant to this Grant Agreement, the project itself remains the sole responsibility of the Sub-grantee. The Department undertakes no responsibility to the Sub-grantee, or to any third party, other than as is expressly set out in this Grant Agreement.

The responsibility for the design, development, construction, implementation, operation and maintenance of the project, as these phrases are applicable to this project, is solely that of the Sub-grantee, as is responsibility for any claim or suit of any nature by any third party related in any way to the project.

Prior to the start of any construction activity, the Sub-grantee shall ensure that all applicable Federal, State, and local permits and clearances are obtained, including but not limited to FEMA compliance with the National Environmental Policy Act, the National Historic Preservation Act, the Endangered Species Act, and all other environmental laws and executive orders.

The Sub-grantee shall defend, at its own cost, any and all claims or suits at law or in equity, which may be brought against the Sub-grantee in connection with the project. The Sub-grantee shall not look to the Department, or to any state or federal agency, or to any of their employees or agents, for any performance, assistance, or any payment or indemnity, including but not limited to cost of defense and/or attorneys' fees, in connection with any claim or lawsuit brought by any third party related to any design, development, construction, implementation, operation and/or maintenance of a project.

A.26 CERTIFICATION REGARDING RESTRICTIONS ON LOBBYING

As required by 44 CFR Part 18, the Sub-grantee hereby certifies that to the best of its knowledge and belief: (1) no federally appropriated funds have been paid or will be paid by or on behalf of the Sub-grantee to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement,

and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement; (2) that if any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an

officer or employee of Congress, or an employee of a Member of Congress in connection with this Grant Agreement, grant, loan, or cooperative agreement, the Sub-grantee will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; (3) and that, as applicable, the Sub-grantee will require that the language of this certification be included in the award documents for all subawards at all tiers (including sub-contracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into, and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code.

A.27 SEVERABILITY

If any court of rightful jurisdiction holds any provision or condition under this Grant Agreement or its application to any person or circumstances invalid, this invalidity does not affect other provisions, terms or conditions of the Grant Agreement, which can be given effect without the invalid provision. To this end, the terms and conditions of this Grant Agreement are declared severable.

A.28 SUB-CONTRACTING

The Sub-grantee shall use a competitive procurement process in the award of any contracts with contractors or sub-contractors that are entered into under the original contract award. The procurement process followed shall be in accordance with 44 CFR Part 13, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, or with OMB Circular A-110, Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations, as applicable to the Sub-grantee.

All sub-contracting agreements entered into pursuant to this Grant Agreement shall incorporate this Grant Agreement by reference.

A.29 SUB-GRANTEE NOT EMPLOYEE

The parties intend that an independent contractor relationship will be created by this Grant Agreement. The Sub-grantee, and/or employees or agents performing under this Grant Agreement are not employees or agents of the Department in any manner whatsoever. The Sub-grantee will not be presented as nor claim to be an officer or employee of the Department or of the State of Washington by reason of this Grant Agreement, nor will the Sub-grantee make any claim, demand, or application to or for any right or privilege applicable to an officer or employee of the Department or of the State of Washington by reason of this Grant Agreement, including, but not limited to, Workmen's Compensation coverage, unemployment insurance benefits, social security benefits, retirement membership or credit, or privilege or benefit which would accrue to a civil service employee under Chapter 41.06 RCW.

It is understood that if the Sub-grantee is another state department, state agency, state university, state college, state community college, state board, or state commission, that the officers and employees are employed by the state of Washington in their own right and not by reason of this Grant Agreement.

A.30 TAXES, FEES AND LICENSES

Unless otherwise provided in this Grant Agreement, the Sub-grantee shall be responsible for, pay and maintain in current status all taxes, unemployment contributions, fees, licenses, assessments, permit charges and expenses of any other kind for the Sub-grantee or its staff required by statute or regulation that are applicable to Grant Agreement performance.

A.31 TERMINATION FOR CONVENIENCE

Notwithstanding any provisions of this Grant Agreement, the Sub-grantee may terminate this Grant Agreement by providing written notice of such termination to the Department's

Key Personnel identified in the Grant Agreement, specifying the effective date thereof, at least thirty (30) days prior to such date.

Except as otherwise provided in this Grant Agreement, the Department, in its sole discretion and in the best interests of the State of Washington, may terminate this Grant Agreement in whole or in part by providing ten (10) calendar days written notice, beginning on the second day after mailing to the Sub-grantee. Upon notice of termination for convenience, the Department reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds. In the event of termination, the Sub-grantee shall be liable for all damages as authorized by law. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

A.32 TERMINATION OR SUSPENSION FOR CAUSE

In the event the Department, in its sole discretion, determines the Sub-grantee has failed to fulfill in a timely and proper manner its obligations under this Grant Agreement, is in an unsound financial condition so as to endanger performance hereunder, is in violation of any laws or regulations that render the Sub-grantee unable to perform any aspect of the Grant Agreement, or has violated any of the covenants, agreements or stipulations of this Grant Agreement, the Department has the right to immediately suspend or terminate this Grant Agreement in whole or in part.

The Department may notify the Sub-grantee in writing of the need to take corrective action and provide a period of time in which to cure. The Department is not required to allow the Sub-grantee an opportunity to cure if it is not feasible as determined solely within the Department's discretion. Any time allowed for cure shall not diminish or eliminate the Sub-grantee liability for damages or otherwise affect any other remedies available to the Department. If the Department allows the Sub-grantee an opportunity to cure, the Department shall notify the Sub-grantee in writing of the need to take corrective action. If the corrective action is not taken within ten (10) calendar days or as otherwise specified by the Department, or if such corrective action is deemed by the Department to be insufficient, the Grant Agreement may be terminated in whole or in part.

The Department reserves the right to suspend all or part of the Grant Agreement, withhold further payments, or prohibit the Sub-grantee from incurring additional obligations of funds during investigation of the alleged compliance breach, pending corrective action by the Sub-grantee, if allowed, or pending a decision by the Department to terminate the Grant Agreement in whole or in part.

In the event of termination, the Sub-grantee shall be liable for all damages as authorized by law, including but not limited to, any cost difference between the original Grant Agreement and the replacement or cover Grant Agreement and all administrative costs directly related to the replacement Grant Agreement, e.g., cost of administering the competitive solicitation process, mailing, advertising and other associated staff time. The rights and remedies of the Department provided for in this section shall not be exclusive and are in addition to any other rights and remedies provided by law.

If it is determined that the Sub-grantee: (1) was not in default or material breach, or (2) failure to perform was outside of the Sub-grantee's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience".

A.33 TERMINATION PROCEDURES

In addition to the procedures set forth below, if the Department terminates this Grant Agreement, the Sub-grantee shall follow any procedures specified in the termination notice. Upon termination of this Grant Agreement and in addition to any other rights provided in this Grant Agreement, the Department may require the Sub-grantee to deliver to the Department any property specifically produced or acquired for the performance of such part of this Grant Agreement as has been terminated.

If the termination is for convenience, the Department shall pay to the Sub-grantee agreed upon price, if separately stated, for properly authorized and completed work and services rendered or goods delivered to and accepted by the Department prior to the effective date of Grant Agreement termination, and the amount agreed upon by the Sub-grantee and the Department for (i) completed work and services and/or equipment or supplies provided for which no separate price is stated, (ii) partially completed work and services and/or equipment or supplies provided which are accepted by the Department, (iii) other work, services and/or equipment or supplies which are accepted by the Department, and (iv) the protection and preservation of property.

Failure to agree with such amounts shall be a dispute within the meaning of the "Disputes" clause of this Grant Agreement. If the termination is for cause, the Department shall determine the extent of the liability of the Department. The Department shall have no other obligation to the Sub-grantee for termination. The Department may withhold from any amounts due the Sub-grantee such sum as the Department determines to be necessary to protect the Department against potential loss or liability.

The rights and remedies of the Department provided in this Grant Agreement shall not be exclusive and are in addition to any other rights and remedies provided by law.

After receipt of a notice of termination, and except as otherwise directed by the Department in writing, the Sub-grantee shall:

- a. Stop work under the Grant Agreement on the date, and to the extent specified, in the notice;
- b. Place no further orders or sub-contracts for materials, services, supplies, equipment and/or facilities in relation to this Grant Agreement except as may be necessary for completion of such portion of the work under the Grant Agreement as is not terminated;
- c. Assign to the Department, in the manner, at the times, and to the extent directed by the Department, all of the rights, title, and interest of the Sub-grantee under the orders and sub-contracts so terminated, in which case the Department has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and sub-contracts;
- d. Settle all outstanding liabilities and all claims arising out of such termination of orders and sub-contracts, with the approval or ratification of the Department to the extent the Department may require, which approval or ratification shall be final for all the purposes of this clause;
- e. Transfer title to the Department and deliver in the manner, at the times, and to the extent directed by the Department any property which, if the Grant Agreement had been completed, would have been required to be furnished to the Department;
- f. Complete performance of such part of the work as shall not have been terminated by the Department in compliance with all contractual requirements; and
- g. Take such action as may be necessary, or as the Department may require, for the protection and preservation of the property related to this Grant Agreement which is in the possession of the Sub-grantee and in which the Department has or may acquire an interest.

A.34 TRAVEL AND SUBSISTENCE REIMBURSEMENT

Unless the Grant Agreement specifically provides for different rates, any travel or subsistence reimbursement allowed under the Agreement shall be paid in accordance with rates set pursuant to RCW 43.03.050 and RCW 43.03.060 as now existing or amended. The Sub-grantee may be required to provide to the Department copies of receipts for any travel related expenses other than meals and mileage (example: parking) that are authorized under this Agreement.

A.35 UTILIZATION OF MINORITY AND WOMEN BUSINESS ENTERPRISES (MWBE)

The Sub-grantee is encouraged to utilize business firms that are certified as minority-owned and/or women-owned in carrying out the purposes of this Grant Agreement. The Sub-grantee may set utilization standards, based upon local conditions or may utilize the state of Washington MWBE goals, as identified in WAC 326-30-041.

A.36 WAIVERS

No conditions or provisions of this Grant Agreement can be waived unless approved in advance by the Department in writing. ADDITIONAL AGREEMENT PROVISIONS AND WORKSHEET
For Compliance With The
Federal Funding Accountability and Transparency Act of 2006 (P.L. 109-282) (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website. Federal awards include grants, subgrants, loans, awards, cooperative agreements and other forms of financial assistance as well as contracts, subcontracts, purchase orders, task orders, and delivery orders. The legislation does not require inclusion of individual transactions below \$25,000 or credit card transactions before October 1, 2008. However, if an award is initially below this amount yet later increased, the act is triggered. Due to this variability in compliance Subrecipients are **required** by the Military Department to be familiar with the FFATA requirements and complete this Worksheet for *each contract* for the State's submission in to the FFATA portal.

ADDITIONAL PROVISIONS

A. This contract (subaward) is supported by federal funds, requiring compliance with the Federal Funding Accountability and Transparency Act (FFATA or the Transparency Act) and Office of Management and Budget Guidance (OMB). Public Law 109-282 as amended by section 6202(a) of Public Law 110-252 (see 31 U.S.C. 6101 note). By entering into this contract, contractor agrees to provide all applicable reporting information to the Washington Military Department (WMD) required by FFATA and OMB Guidance.

B. The FFATA requires the OMB to establish a publicly available online database (USASpending.gov) containing information about entities that are awarded Federal grants, loans, and contracts. As required by FFATA and OMB Guidance, certain information on the first-tier subawards related to Federal contracts and grants, and the executive compensation of awardees, must be made publicly available.

C. For new Federal grants beginning October 1, 2010, if the initial subaward is equal to or greater than \$25,000, reporting of the subaward and executive compensation information is required. If the initial subaward is below \$25,000 but subsequent grant modifications result in a total subaward equal to or over \$25,000, the subaward will be subject to the reporting requirements as of the date the subaward exceeds \$25,000. If the initial subaward equals or exceeds \$25,000 but funding is subsequently de-obligated such that the total award amount falls below \$25,000, the subaward continues to be subject to the reporting requirements of the Transparency Act and OMB Guidance.

D. As a Federal grant subawardee under this contract, your organization is required by FFATA, OMB Guidance and this contract to provide the WMD, as the prime grant awardee, all information required for FFATA compliant reporting by WMD. This includes all applicable subawardee entity information required by FFATA and OMB Guidance, subawardee DUNS number, and relevant executive compensation data, as applicable.

1. Data about your organization will be provided to USASpending.gov by the WMD or by the Federal Contractor Registry (CCR). CCR is a government wide registration system for organizations that do business with the Federal Government. CCR stores information about awardees including financial account information for payment purposes and a link to D&B for maintaining current DUNS information, www.ccr.gov. WMD encourages

CCR registration and annual renewal by your organization to minimize unnecessary data entry and re-entry required by both WMD and your organization. It will also reduce the potential of inconsistent or inaccurate data entry.

2. Your organization must have a Data Universal Numbering System (DUNS) number obtained from the firm Dun and Bradstreet (D&B) (www.dnb.com). A DUNS number provides a method to verify data about your organization. D&B is responsible for maintaining unique identifiers and organizational linkages on behalf of the Federal Government for organizations receiving Federal assistance.

E. The WMD, as the prime awardee, is required by FFATA to report names and total compensation of the five (5) most highly compensated officers of your organization (as the subawardee) if:

1. Your organization (the subawardee), in the preceding fiscal year, received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards; and
2. The public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986.

“Total compensation” for purposes of this requirement generally means the cash and non-cash value earned by the executive during the past fiscal year and includes salary and bonus; awards of stock, stock options and stock appreciation rights; and other compensation such as severance and termination payments, and value of life insurance paid on behalf of the employee, and as otherwise provided by FFATA and applicable OMB guidance.

F. If (1) in the preceding fiscal year your organization received 80 percent or more of its annual gross revenues from Federal awards and \$25,000,000 or more in annual gross revenues from Federal awards, and (2) the public does not have access to this information about the compensation of the senior executives of your organization through periodic reports filed under section 13(a) or 15(d) of the Securities and Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d) or section 6104 of the Internal Revenue Code of 1986, insert the names and total compensation for the five most highly compensated officers of your organization in the table below.
