The employee will be placed at a compensation step in that job classification's salary grade which is at least five percent (5%) more than the employee's former compensation.

To qualify, an employee must have satisfactorily completed their probationary period, possess the minimum qualifications for the position being considered, and, if the transfer is voluntary, be subject to a 45 calendar day trial service period, during which he/she continues to have voluntary reversion rights in accordance with Section 5.11.3 – Reversion Period. The employer may extend the 45 day trial period provided that the specific reason for the extension is given and provided that the length of the extension is specified, not to exceed an additional 45 calendar days, unless by mutual agreement of the Union.

Transfers will be classified as lateral, promotional or demotional and may be voluntary (EMPLOYEE INITIATED) or involuntary (OFFICIAL INITIATED).

- A lateral transfer occurs when an employee moves to another position with the same job classification salary grade;
- A promotional transfer occurs when an employee moves to a position with a higher job classification salary grade; and shall be governed by Section 5.10.2 - Promotion.

OFFICE/DEPARTMENT: Employees transferring in accordance with this section shall retain their office/departmental seniority and longevity anniversary date. 5.11.2 VOLUNTARY LATERAL TRANSFER BETWEEN

OFFICES/DEPARTMENTS: Employees transferring in accordance with this section shall re-start their office/departmental seniority but retain their existing longevity anniversary date. 5.11.3 REVERSION PERIOD: Employees who promote or voluntarily transfer under this Article shall be allowed a 30 calendar day reversion period. An employee who decides during their voluntary reversion period to return to their prior position (job classification), or who fails to satisfactorily complete their trial service period, will return to their former position (job classification) without prejudice. The employee will assume their previous office/departmental seniority, including the time accrued during the transfer period, and longevity anniversary date. Employees who fail to satisfactorily complete their trial service periods will be provided with the reason(s) in writing for returning them to their former positions. Persons filling positions vacated by employees transferring to other positions (job classifications) shall be notified by the employing Official(s) that the positions are temporary while the transferred employees complete their trial service/reversion periods.

5.11.4 TEMPORARY TRANSFERS: An involuntary temporary transfer between offices/departments, not to exceed thirty (30) working days (regardless of number of hours worked per day) in a calendar year, to meet urgent or emergency needs and other absences, shall be permitted based on mutual agreement of the involved Officials after consideration of the employee's concerns. The employee's consent must be obtained for an involuntary temporary transfer of a longer term or greater frequency. This section shall not preclude the employer's obligation to pay for out of class work assignments.

- 5.11.5 **WORK SITE ASSIGNMENT:** If an employee is required to work at a work site other than his or her regularly assigned site, he or she shall travel to and from the alternate work site during the Employer's time and in transportation furnished by the Employer or be reimbursed for use of his or her private vehicle in accordance with Section 5.6 – Travel Expenses. The Work Site Assignment will be made at the time of hire and will be included in job announcements. A list of current employees and their assigned work site will be provided to the Union within 30 days of ratification of this Agreement. For employees hired before the ratification of this Collective Bargaining Agreement, their work site shall be the original location intended for the position. However, these designated work sites will be negotiable between the Union and the Employer on a one-time basis within 30 days of the union's receipt of the work site assignment list.
- 5.12 **DEMOTION:** An employee shall not be demoted to a position for which they do not possess the minimum qualifications. An employee being involuntarily demoted shall be notified, in writing, at least two (2) weeks prior to the demotion, and shall not be required to serve a trial service period. An employee may be demoted:
- A. For just cause, or cause in the case of a probationary employee;
 - B. When the employee becomes physically or mentally incapable of performing the duties of the position and cannot be reasonably accommodated in the current position; or,
 - C. At the employee's request, in which case it shall be noted in the employee's personnel file that the demotion is non-disciplinary in nature.
- 5.13 **OUTSIDE EMPLOYMENT:** An employee shall not engage in employment other than the assigned County job if such employment interferes with the efficient performance of the employee's County job, or constitutes a conflict of interest.
- 5.14 **ABSENCE WITHOUT DULY AUTHORIZED LEAVE:** No leave of absence, whether with or without pay, shall be allowed unless authorized in advance. Absences for other than duly authorized leave, unless there are extenuating circumstances, shall be treated as leave without pay. Unauthorized absence from duty is grounds for disciplinary action under Article 6 – Discipline and Appeal.
- 5.15 **RESIGNATION:** An employee wishing to leave the County service in good standing shall, at least two (2) weeks before leaving, file with their Official a written statement containing the effective date of their resignation. The notification time limit may be waived at the discretion of the Official. The Official shall forward a copy of the resignation to the official personnel record of the employee.
- 5.16 **REDUCTION IN FORCE:**
- 5.16.1 While it is the intent of the County to retain a skilled workforce to deliver services, it may be necessary to layoff employees due to budgetary reasons or the elimination of services. As soon as the County identifies that specific layoffs may be necessary, the County will meet with the union to open a dialog regarding

alternatives to layoff. The decision to layoff employees will ultimately be at the discretion of the employer.

5.16.2 Notice – An Official may lay off or reduce the hours an employee works for lack of work or budgetary restrictions. The employee shall be given a minimum of sixty (60) calendar days written notice. (NOTE: The issuance or receipt of the written “reduction in force” notice as opposed to the affected employee’s actual cessation of work shall constitute the employment action for application of the filing timeline and process in Article 7 – Grievance Procedure. A copy of the layoff notice shall be forwarded to the Clerk of the Board who shall provide copies to the Stewards and the W.S.C.C.E. Council 2 Staff Representative. The notice shall contain the employee’s name, address and telephone number, the job classification (title) from which the employee was laid off or reduced in hours, and the date the layoff will become effective. The Clerk of the Board will maintain a master list of eligible names of those Union-represented employees who were laid off or reduced in hours for each job classification.

5.16.3 No employee shall be laid off or reduced in hours because of lack of funds in any Official's budget while another person in the same office/department is employed on a probationary or temporary basis in a job classification for which the employee being laid off or reduced in hours is qualified for. Volunteer or Americrops/VISTA positions may be used to supplement the Employer’s current work force, but it shall not supplant a Union-represented position. The Employer will attempt to uphold the Union position. No union-represented position will be eliminated, have its hours reduced, or otherwise be reduced in pay as a result of any volunteer or Americorps/VISTA positions.

5.16.4 Seniority in Layoff Selection – If reduction in force is necessary in any office/department, positions will be eliminated and/or reduced on the basis of seniority in the job classification in the office/department. Unless otherwise agreed between the parties and agreed by the Union in writing, the Official must reduce and/or ultimately lay off the least senior employee in the affected job classification in the office/department before reducing the hours or laying off the next junior employee in that job classification.

- 5.16.6 An employee whose name is placed on the re-employment list in accordance with this Section shall retain their seniority and longevity anniversary date for one (1) year, but adjusted to reflect the layoff period. Once an employee is no longer on the re-employment list, they shall no longer have any seniority rights. The affected employee shall be responsible for notifying the Clerk of the Board of any other job classifications that the employee feels they are sufficiently qualified to fill and that they would be interested in filling if a vacancy were to become available, as well as any changes in their address, telephone number, or employment status during the 1-year re-employment priority period.
- 5.16.7 Bumping Rights – Employees who are notified that they will be laid off or reduced in hours may "bump" the most junior employee in another job classification in the same office/department for which they meet minimum qualifications as described in Section 5.9 ; provided that the employee being "bumped" has less office/department seniority than the employee doing the "bumping".
- a. Part time employees may bump a portion of a part time position to restore their original FTE, but may not bump a portion of a full time position under this section.
 - b. Part time employees may bump a full time employee in a job they are qualified for, provided the employee they are bumping has less seniority and provided that the affected part time employee must accept the full FTE of the full time job they are bumping into.
 - c. Full time employees who are notified that their position will be reduced in hours, may bump a portion of a less senior employee's position for which they meet the minimum requirements, in order to restore their full time status.
 - d. For the purpose of this section, the term "part time" shall mean a position that is less than 1.0 FTE.
- 5.16.8 An employee shall have twenty (20) calendar days after receipt of notification of reduction in force as per Section 5.16.2 to notify his/her Official of his/her decision to exercise his/her right to "bump" as herein defined at the end of the 60-day notification period. Each employee that has received a Reduction in Force notice will provide the employer within 5 working days (day 1 is the first day following receipt of the notice) with a written notice of intent identifying the position he/she would potentially bump. If the employee fails to notify his/her

Official in writing of his/her decision to “bump” within the allotted twenty (20) calendar days, he/she shall forfeit his/her right to “bump” in response to the applicable reduction in force notice.

5.17 RE-EMPLOYMENT:

- 5.17.1 Subject to the priorities listed in Section 5.9, Officials shall rehire the most senior qualified, as defined in Section 5.9, employee laid off or reduced in hours from the office/department in which the opening exists. If no qualified laid off or reduced hour employee from the office/department with the job opening is available to fill the opening, the Official shall request a copy of the master layoff list to determine if there are any employees in layoff or reduced hour status that noted they were qualified for and interested in the job classification being filled. Qualified and interested laid-off or reduced hour employees on the layoff list from offices/departments other than the office/department in which the opening exists shall be notified by certified mail of the opening and invited to apply for the position. The Official shall rehire the most senior qualified and interested employee laid off or reduced in hours from another office/department.
- 5.17.2 A laid off or reduced in hours employee offered re-employment must decide if they will accept the re-employment offer within three (3) working days and be available for work within fourteen (14) calendar days of the above-mentioned written notice of opening. Failure to contact the Official within the three (3) working days and/or failure to report to work within fourteen (14) calendar days constitutes forfeiture of all rights under this Section.
- 5.17.3 If a laid-off or reduced-hour employee refuses or fails to respond to or accept a position vacancy within the specified periods of time in the same office/department from which the employee was laid off or reduced in hours that is equal to or greater in pay than the previously held position, the individual shall be removed from the re-employment list. In all other cases, the employee has the right to refuse to accept a position vacancy one time in a twelve-month period.
- 5.17.4 Employees who are reappointed to a position in the office/department from which they were laid off will be placed at a compensation step no lower than that held before "bumping". Within 180 days of the re-appointment, the Official will provide a re-appointed employee with necessary training and/or certification opportunities needed to comply with job requirements that may have changed during the absent period. The Official may extend the training/certification period.
- 5.17.5 Employees on the recall list who fill a vacancy in different office/department from which they were laid off will be placed at a compensation step determined appropriate by the employing Official, normally not lower than step "2" unless their previous step was "1", in which case not lower than step "1". They will restart their office seniority but retain their former longevity anniversary date, adjusted for the layoff period. Regular employees who have previously completed probation and fill a vacancy in a different office/department will be

subject to a “new” six (6) month (probation) period. During this probationary period the employee may not be terminated by the Official without cause. Any disciplinary action, up to and including discharge, will be per the terms included in Section 6.3-Procedures for Disciplinary Action. Employees who do not satisfactorily complete the new probation period for reasons other than disciplinary actions, will be laid off and put back on the recall list. Time worked in the new position will not count against their recall period.

- 5.18 **EXIT INTERVIEW:** The Employer and/or Official may conduct, or have conducted, an exit interview with an employee leaving County employment. A Union representative will be allowed to be present if requested by the employee.
- 5.19 **OFFICIAL JOB DESCRIPTION FILE:** The Employer shall maintain one (1) official position/job description file in accordance with the job titles listed in Appendix A. The Clerk of the Board shall serve as custodian of the file. Every current Union-represented position/job description shall be kept in this file. The Union shall be notified in writing of any removal or alteration of a current Union-represented position/job description or the addition of a new position/job description. .

ARTICLE 6 – DISCIPLINE AND APPEAL

- 6.1 **DISCIPLINARY ACTION:** The Employer will attempt at all times to operate its business in the most efficient, economical and orderly manner consistent with good management practices. Employees shall conduct themselves in a manner that will be consistent with established rules and regulations. Disciplinary action is not intended to be punitive, but rather to inform the employees of required improvements and to maintain the efficiency of day-to-day operations, in keeping with sound principles of human relations in the County services. Disciplinary action or measures shall, except for probationary employees, be taken for just cause and will include only the following steps, which may occur in the order listed below, unless the actions of the employee warrant more severe measures:

- Verbal warning
- Written warning
- Suspension (notice to be given in writing)
- Demotion (notice to be given in writing – see Section 5.12)
- Discharge (notice to be given in writing)

New employees on probationary status may be disciplined for cause without rights to the grievance process provided in Article 7 and may be terminated without cause as provided in Section 5.8 (the Probationary Section of Article 5).

- 6.2 **CAUSES FOR DISCIPLINARY ACTION:** The following are some examples of the types of detrimental behavior or actions that may result in disciplinary action:

- A. Use of intoxicating beverages, marijuana, or the use of illegal drugs on the job, or arriving on the job under the influence of intoxicating beverages, marijuana or illegal drugs; and abuse of prescription drugs while on duty.
- B. Violation of lawful duty;
- C. Insubordination;
- D. Being absent from work without first notifying and securing permission (unauthorized leave), from the employee's supervisor;
- E. Being unreasonably absent or tardy
- F. Commission of a felony or of a misdemeanor involving theft or loss of County funds, or commission of a crime for which an employee is required to register as a sex offender.
- G. Soliciting fees, gifts, or other valuable items in the performance of the employee's official duties for the Employer;
- H. Inability to perform the assigned job satisfactorily; and
- I. Misuse of medical leave and/or other leaves:

- J. Dishonesty in any form.

6.3 **PROCEDURES FOR DISCIPLINARY ACTION:** The degree of discipline administered depends on the severity of the infraction. It is the responsibility of the Official to evaluate thoroughly the circumstances and facts as objectively as possible.

6.3.1 Employees shall be afforded all Constitutional procedural rights including those established in the Weingarten and Loudermill cases and/or any subsequent applicable case law. With the exception of a verbal warning, an available Union representative of the employee's choice will be informed of and afforded the opportunity to be present at any disciplinary investigation, interview, or disciplinary meeting during which discipline other than a verbal warning is issued, unless such presence is freely waived by the employee. (NOTE: The employee will be allowed to choose their representative for any such disciplinary investigation or interview from any available Steward or representative.)

6.3.2 There are several types of disciplinary action. Before proceeding with any disciplinary action that would subject an employee to a loss of normal earnings, the Official must inform the employee(s) of the alleged wrongdoings in a meaningful manner and afford the employee(s) an opportunity to explain the circumstances in a reasonable timeframe of one to three days, unless extended by mutual agreement.

6.3.3 **LEVELS OF DISCIPLINE:**

- A. **VERBAL WARNING:** This type of discipline should be used for infractions of a relatively minor degree. Officials should at all times inform the employee in private that it is a verbal warning and that the employee is being given an opportunity to correct the condition. If the condition is not corrected, the employee may be subject to more severe disciplinary measures. Verbal warnings are not subject to the grievance procedure. (NOTE: Any notation pertaining to a verbal warning that is placed in the employee's official personnel record meets the definition of a written warning and shall be subject to the rules in paragraph 6.3.3.B.) Documentation of a verbal warning may be kept in an official verbal warning log by the official. Verbal warnings shall be clearly identified to the employee at the time a verbal warning is delivered, and documentation of said verbal warning shall be provided to the employee at the same time. The employees may submit a clarifying or rebuttal statement that shall be retained with the applicable verbal warning log. The verbal warning log maintained for each employee shall be made available to that employee for review upon request.
- B. **WRITTEN WARNING:** This notice will be issued by the Official in the event the employee continues to disregard a verbal warning or if the infraction is severe enough to warrant a written record in the employee's personnel file. The Official will set forth in the notice the nature of the infraction in detail and will sign the notice and discuss it with all parties to assure the reasons for the disciplinary action are understood by all. Written warnings shall remain in the personnel file for at least twelve (12) months following the date of issuance, and then may be removed at the employee's request if there has been no other disciplinary action in that 12 month period. Any employee issued a written warning is entitled to submit written comments which will be attached to and remain with the written warning.
- C. **SUSPENSION:** This is a significant form of discipline that is to be administered as a result of a severe infraction or for repeated violations after the employee has received a written warning and has not adequately improved performance. It should be applied only after a thorough evaluation by the Official. The Official shall set forth in writing the facts leading to the reason for the disciplinary suspension and the duration of the suspension. The employee shall be informed of the disciplinary action, and the Official shall make certain that the employee is fully aware of the reasons for such action. The original signed copy of the disciplinary action notice is to be placed in the employee's personnel file with a copy provided to the employee and unless freely waived, the Union. When an employee returns from disciplinary suspension, the Official and all other employees should make certain that the employee returns to the job with as little impact as possible.
- D. **DEMOTION:** This is a significant form of discipline that is to be administered as a result of a severe infraction or for repeated violations after the employee has received a written warning and has not adequately

improved performance. It should be applied only after a thorough evaluation by the Official. The Official shall set forth in writing the facts leading to the reason for the disciplinary demotion. The employee shall be informed of the disciplinary action, and the Official shall make certain that the employee is fully aware of the reasons for such action. The original signed copy of the disciplinary action notice is to be placed in the employee's personnel file with a copy provided to the employee and unless freely waived, the Union.

- E. **DISCHARGE:** Prior to taking action on the discharge of an employee, the Official must be certain of all facts influencing the decision and should attempt at all times to be as objective as possible in the evaluation of the circumstances leading to the discharge. Prior to finally deciding to discharge an employee, the Official shall meet with the employee to discuss the nature of the evidence against the employee and allow the employee an opportunity to respond. The Union will be notified at least thirty-six (36) hours before any Official conducts a pre-termination hearing unless the presence/involvement of the Union in that disciplinary matter has been freely waived by the employee.
- F. **PAID ADMINISTRATIVE LEAVE:** If, in the opinion of the Official the infraction is so severe as to necessitate immediate removal from the working environment, the official should take action by placing the employee on paid administrative leave until circumstances are reviewed prior to final action. If at the conclusion of the investigation of the infraction the employee is either disciplined or terminated any leave accrued during the paid administrative leave will be subtracted from the employee's medical and vacation leave banks.

ARTICLE 7 – GRIEVANCE PROCEDURE

- 7.1 **POLICY:** The parties recognize that the most effective accomplishment of the work of the Employer requires prompt consideration and equitable adjustments of grievances. It is the desire of the parties to adjust grievances informally whenever possible, and both management and Union-represented employees are expected to make every effort to resolve problems as they arise. However, there may be instances where grievances can be resolved only after formal review. Accordingly, the following procedure is established to process such disputes as fairly and expeditiously as possible.
- 7.2 **DEFINITION:** A grievance is an alleged wrong or dispute considered by the Union as grounds for complaint that pertains to employment conditions covered by this Agreement, or to its application, meaning or interpretation. (See Section 5.16.2 for special note pertaining to “reduction in force” employment actions.)
- 7.3 **PROCESS:** Grievances shall be processed in the following manner and within the stated time limits, unless by mutual consent in writing by the applicable Official(s) and the

Union, any or all time limits as specified in the grievance procedure are waived. Grievances must have occurred within the past thirty (30) calendar days to be eligible for processing. Disciplinary or termination grievances shall be initially filed at Step Two, within 30 calendar days of the disciplinary action.

7.3.1 **STEP ONE:** The grievant(s) and a Union representative or the Union Representative (i.e., Staff Representative, Steward, or Officer serving as a Steward) shall discuss the grievance with the non-union Supervisor involved. If the grievance is not resolved within five (5) regular working days of this initial discussion, the Union may proceed to Step Two.

7.3.2 **STEP TWO:** By the tenth (10th) regular working day following the initial discussion, the grievance shall have been transferred to writing and presented to the appropriate Official(s). The written grievance shall contain the following information: 1) a general statement explaining the conditions or the actions which might require remedy, 2) the remedial action requested, 3) the section(s) alleged to be improperly administered or violated, and 4) the signature of the authorized Union representative.

If requested by either party, the appropriate Official(s) shall meet with the grievant(s) and/or the Union representative to attempt to resolve the grievance.

The Official(s) shall respond to the grievance in writing within five (5) regular working days following receipt from the Union of the written grievance or if applicable, the meeting held with the Union to discuss the grievance. The response shall include the Official's decision and/or proposed resolution(s). If the grievance is not resolved, the Union may proceed to Step Three.

7.3.3 **STEP THREE:** Provided the formal arbitration request is so-noted by the Union, this Step may be bypassed if a grievance is considered non-financial and under the auspices of an elected Official other than the Board. Otherwise, copies of the grievance with the Official's response shall be forwarded by the Union to the Board within ten (10) regular working days of receipt of the Official's answer. The Union's written referral must explain: 1) how and/or why the matter in dispute is financial, and 2) how and/or why the Official's response was found to be unacceptable. Within ten (10) workdays after receipt of the grievance, the Board shall either notify the Union and the involved Official(s) that the Board determined that it lacks jurisdiction because the grievance is not financial, or schedule a meeting with the grievant(s) and/or the Union.

If the Board has found the grievance is not financial, the involved Official(s) shall meet with the grievant(s) and/or the Union within five (5) regular workdays of receipt of the Board's written notification.

Within five (5) regular workdays following the meeting held in accordance with this Section, either the Board or the other elected Official(s), as appropriate, shall render a written decision pertaining to resolution of the grievance.

7.3.4 **STEP FOUR:** To proceed with this Step, the Union must serve written notice of a demand for arbitration on the Employer within twenty (20) regular working days after receipt of the decision in Step Three. The arbitration demand shall be accompanied by a written explanation of how and/or why the Employer's Step Three decision failed to satisfactorily resolve the grievance.

Within ten (10) working days from the submission of the request for arbitration, the parties will attempt to mutually agree upon an arbitrator. If an arbitrator is not mutually agreed upon, either party may request a list with the names of at least seven (7) arbitrators from either the Public Employment Relations Commission (PERC) or the Federal Mediation and Conciliation Service (FMCS). Within ten (10) working days after receipt of the requested list of names, the parties shall confer and alternately strike names from the list until one (1) name remains who shall serve as the arbitrator. The Union shall strike the first name.

At least fifteen (15) working days before any scheduled arbitration date, the parties shall confer in an attempt to define the issue(s) of the grievance. In addition, they shall attempt to agree upon and/or coordinate the scope of the record (i.e., exhibits, witnesses, special facilities or equipment) to be presented to the Arbitrator at arbitration.

In any arbitration proceeding held pursuant to this Agreement, the arbitrator shall have no authority to render any decision that will add to, subtract from or alter, change or modify the terms of this Agreement. The power of the arbitrator shall be limited to interpretation or application of the express terms of this Agreement and all other matters shall be excluded from arbitration. The decision of the arbitrator shall be made in writing within thirty (30) days after the conclusion of testimony and shall be final and binding on both parties.

The cost of the arbitrator's services shall be borne by the parties equally. The grievant(s) and the relevant county-employed Union representative(s) may attend the arbitration hearing without loss of regular compensation. Each party shall be financially responsible for its attorney fees and its presentation costs.

7.4 Failure of the Union to follow the steps, methods and time limits prescribed herein shall constitute abandonment of the grievance. Failure of the Employer to follow the steps, methods and time limits beyond Step One prescribed herein shall resolve the grievance in favor of the Union. The parties may mutually agree in writing to extend the time limits. Parties concerned in any grievance shall continue to work according to conditions that existed prior to the dispute until the grievance has been resolved or through Step Three of the grievance procedures, whichever is earlier.

7.5 A grievance may be terminated at any time upon receipt of a signed statement from the Union that the matter has been resolved.

ARTICLE 8 – HOURS OF WORK

- 8.1 The normal workweek shall consist of five (5) consecutive days commencing on Monday and ending Friday with a workday of eight (8) hours commencing at 8:00 a.m., having one hour for a meal period at mid-shift, or as near as can mutually be agreed upon such that it does not affect the operation of the assignment area, and ending at 5:00 p.m. The meal period shall be on the employee's own time.
- 8.2 An optional alternative workweek consisting of four (4), ten (10) hour days within a one week period, or eight (8) – nine (9) hour days and one eight (8) hours day within a two week period (aka a 9/80 schedule) may be agreed to between an employee and the employee's Official, provided the days need not be consecutive and the operation of the assignment area is not negatively affected; that is, if more than one employee of an assignment area desires an optional work schedule, the days of assignment should be staggered.
- 8.3 Temporary changes, meaning a period not to exceed three (3) calendar months within a 12 month period, to established work schedules may be made with the agreement of the Official(s) and employee(s) involved, or to meet the needs of the Employer, to address operational needs, seasonal workload needs, personal or family needs of the employee, or accommodations for light duty assignments.
- 8.3.1 Employers may authorize flex-time or alternative work schedules, with mutual agreement of the employee.
- A. Flexible work schedules shall be temporary in nature and shall be mutually agreed upon between the Employer and the employee. Flex-time schedules, by example only, shall be schedules that are adjusted within the work day or within the work week. A flexible work schedule (week and/or day) should be allowed so long as the change does not negatively affect the operation of the assignment area. Flexible work schedules shall not be unreasonably denied or refused.
 - B. Alternative work schedules, by example only, shall be schedules that allow for schedules other than 5 consecutive 8-hour days, Monday through Friday, such as Wednesday thru Sunday schedules or nine/eighty schedules. All alternative work schedules shall be reduced to writing and approved by the Employer, employee and the Union.
 - C. Regular Part Time Schedules are established at the time of hire and shall be changed only by mutual agreement of the employer, employee and the Union, as long as the employee's budgeted FTE remains the same as on the date of hire.
- 8.4 **OVERTIME:** Overtime, payable at the rate of one and one-half times the employee's hourly rate of pay, including applicable longevity in accordance with Article 10, shall be paid for all hours in paid status over forty (40) hours in any one workweek for all employees that have been officially appointed to and are funded by the board to fill a 1.0

FTE position. Further, overtime shall be paid to all employees that have been officially appointed to and are funded by the board to fill a 1.0 FTE position for all hours in paid status over eight (8) hours for a normal schedule and ten (10) hours for an optional schedule for 1.0 FTE employees. For other alternative schedules, overtime shall be paid for all hours worked in excess of the agreed upon regular alternative workday. Overtime for employees that have been officially appointed to and are funded by the board to fill a less than 1.0 FTE position shall be paid only for those hours worked in excess of forty (40) hours in a work week.

- 8.4.1 Unless special qualifications are needed for the work to be performed, overtime will be offered and distributed on the basis of seniority within the assignment area.
 - 8.4.2 Upon request of the employee and approval of the employer, an employee may receive compensatory time off (comp time) in lieu of overtime pay. Comp time shall accrue at the rate of one and one-half (1-1/2) hours for each overtime hour worked. Comp time hours must be used by the end of the third month following the month in which the hours were earned and accrued or as mutually agreed between the employee and Official.
 - 8.4.3 Actual scheduling of the time off will be arranged with the Official such that it does not interfere with the operation of the assignment area.
 - 8.4.4 The Employer will abide by State and Federal laws regarding the payment of overtime. All overtime shall be pre-authorized by the Department Head or Elected Official. An employee may appeal any disallowance decision for review by the Board by filing a request for review with the Clerk of the Board within ten (10) days of the employee becoming aware of the Official's decision to disallow such overtime. The Board's review shall occur at its next regularly scheduled meeting or at a later meeting if requested by the employee.
- 8.5 **CONTACT TIME/CALL OUTS:** Employees contacted by their Officials and/or Supervisors during off-duty hours for job-related information shall be compensated for the contact time as overtime with a minimum of one-half (1/2) hour per contact. This provision shall not apply if the information being solicited should have been passed on at the conclusion of the contacted employee's shift in the form of written correspondence or computer mail and:
- A. The Official has provided employees with a written policy concerning when information in the form of written correspondence or computer mail should be passed on to a supervisor at the end of an employee's shift, and
 - B. The employee failed to follow the relevant written policy.

Repetitive contacts during each one-half (1/2) hour period shall not warrant additional compensation. Also, employees called back to work or into service from scheduled time off shall be compensated for the time worked as overtime with a minimum of two (2) hours per call out.

- 8.6 **REST BREAKS:** The employer shall ensure that rest breaks are provided to employees in accordance with Washington State Law. Employees are entitled to one (1) fifteen (15) minute break in each half of a workday of at least eight (8) hours, as set out in Sections 8.1 through 8.3.2. One (1) fifteen (15) minute break will be provided for a workday of at least five (5) hours. Rest breaks must be used during the time period they are earned and may not be saved for later use.

ARTICLE 9 – WAGES

- 9.1 Employees filling Regular Full Time Positions that have a confirmed Employer appointment percentage of 100% (1.0 FTE) shall be compensated in dollars per month. All other employees, including employees filling Regular Full Time Positions with a confirmed Employer appointment percentage of less than 100% (less than 1.0 FTE), and all casual positions, temporary positions, and regular part time positions shall be compensated in dollars per hour using the salary grade for the applicable job classification listed in Appendix A and the appropriate (monthly salary or hourly rate) Compensation Schedule in Appendix C.
- 9.1.2 **IMPLEMENTATION OF STEP PLAN:** Progression from any one Step to the next higher Step within any Salary Grade identified in the Compensation Schedule (Appendix C) shall be governed by Section 9.1.3 of this Agreement.
- 9.1.3 An employee initially placed on the payroll on or before the fifteenth (15th) of the month shall receive his/her step increase at the beginning of the month during which the step increase has been earned. An employee initially placed on the payroll after the fifteenth (15th) of the month shall receive his/her step increase on the first of the month following that during which the step increase has been earned. In general, the appointee will enter employment in a particular position with the Employee at Step “1” for a period of one (1) year, or one thousand four hundred forty (1,440) hours, which is the minimum needed for qualification as a Regular Full Time Position (120*12=1,440). The employee will serve one thousand four hundred forty (1,440) hours or one (1) year, whichever is longer, at each higher Step in the compensation schedule unless or until the employee is transferred, promoted, or demoted; in which case, the cycle shall be appropriately readjusted. If a part time FTE moves to a full time position the new step date shall be the date they start the full time position following the above schedule ie before the 15th the first and after the 15th the beginning of the next month.
- 9.1.4 **PAY METHOD AND DATE:** Effective October 31, 2011, the salary of employees represented by this Agreement for services rendered for a given month will be paid via electronic direct deposit to the employee(s) on the last working day of the respective month. If there is an unforeseen incident out of the employers control, the deposit will be made within three (3) to five (5) working

days. Prior to implementation of a new pay date, the parties shall meet and bargain the impacts of this change in pay date.

9.1.5 **PAYROLL ADMINISTRATION:** If an employee submits a time sheet or payroll form claiming attendance at work for all or a portion of the remainder of any given month, and then fails to report for work for any reason during that time period and does not have sufficient medical, annual or any other applicable and approved compensable leave in his/her leave bank equivalent to the hours missed during that month, he/she shall have his/her wages docked from the next pay period equivalent to the value of the hours of insufficient leave. The Employer has the right to adjust an employee's pay dates from monthly to bimonthly with one (1) months advance notice if "adjustments to the next pay period pay" have to be made more than two (2) times in a given year, and when the employee's leave balances fall below forty (40) hours total accumulated leave (sick and vacation). This adjustment in pay period will continue for a minimum of a 12 month period, and until such time the employee has worked three (3) consecutive months with accumulated leave in excess of forty (40) hours.

9.2 **OUT OF CLASS PAY:** Employees required to work in a higher job classification shall be compensated at the rate of pay determined by applying the employee's current salary step and the grade assigned to the higher classified position description for each hour worked at the higher rate. All annual, sick, holiday, bereavement and other leave payment shall be compensated at an employee's base rate, including longevity, and not at an out of class rate. Out of class pay shall be paid only for those duties considered outside of and at a higher grade classification than the employee's current job classification.

The Official shall document in writing the reasons that necessitate out of class pay. This documentation shall be given to the Board. At minimum, the Official must submit separate written documentation for each month that an employee receives out of class pay. This written documentation must be received by the Board and the Auditor before out of class pay will be paid.

Any language added to a job description such as "does other work as assigned" or "shall assume in the absence of" shall not preclude payment of out-of-class pay.

9.3 **RECLASSIFICATION:** Employees whose positions are reclassified shall be placed in the new grades at the same steps they held prior to the reclassification.

9.4 **PROMOTION:** An employee who is promoted shall be placed at the compensation step in the new position's classification grade that provides at least a five percent (5%) increase.

9.5 **DEFERRED COMPENSATION:** Employees shall be eligible to participate in any deferred compensation plan(s) offered to any other County employees.

9.6 **COMPENSATION:** The compensation schedule(s) referenced in Section 9.1 shall be adjusted to reflect the following and presented as Appendix C:

- 9.6.1 Effective January 1, 2014, the 2013 Appendix C Compensation Schedule will be increased by two and one-half percent (2.5%).
- 9.6.2 Effective January 1, 2015, the 2014 Appendix C Compensation Schedule will be increased by two and one-half percent (2.5%).
- 9.6.3 Effective January 1, 2016, the 2015 Appendix C Compensation Schedule will be increased by one and one-half percent (1.5%).
- 9.7 Each employee represented by the Union on January 1, 2014 shall receive a one-time payment from the Employer of two-hundred dollars (\$200) as part of their regular January 2014 payroll.

ARTICLE 10 – LONGEVITY

10.1 An employee’s compensation rate as delineated in Article 9 will be adjusted as follows:

CONTINUOUS SERVICE (Beginning With)	FACTOR (Pay Rate + X%)
1st - 8th Years	0.0
9th - 10th Years	1.5
11th - 15th Years	2.5
16th - 20th Years	4.0
Over 20 Years	6.0

10.2 Effective upon ratification of this agreement, longevity compensation shall be effective as follows: an employee initially placed on the payroll on or before the fifteenth (15th) of the month shall receive his/her longevity increase at the beginning of the month during which the longevity increase has been earned. An employee initially placed on the payroll after the fifteenth (15th) of the month shall receive his/her longevity increase on the first of the month following that during which the longevity increase has been earned. This date will then be considered the employee’s official longevity anniversary date.

ARTICLE 11 – GROUP INSURANCE

11.1 The Employer shall provide payments toward premiums of approved group insurance programs in accordance with the provisions and adoptions outlined herein. All employees who are regularly scheduled to work at least twenty (20) hours each week and their eligible dependents shall be covered by approved insurance programs available through the carrier(s) of the Union’s choice with concurrence of the Board for medical, dental, life and accidental death or disability, and vision.

The Employer and the Union agree that during the term of this Agreement alternative health insurance programs will be explored and may be implemented upon mutual agreement of the parties.

11.2 **ENROLLMENT:** Enrollment adjustments for these group insurance programs shall be during the open enrollment period(s) prescribed by the applicable carrier(s).

11.3 **BENEFIT POOL:** There shall be an insurance benefit pool that operates as follows:

11.3.1 An insurance benefit pool shall be maintained for those employees officially appointed to and funded by the Board to fill Regular Positions equal to or exceeding 0.5 FTE. An employer contribution shall occur only on behalf of those employees filling positions that have been officially appointed to and funded by the Board at a level equal to or exceeding 0.5 FTE.

On January 1, 2014, the employer contribution to the insurance benefit pool shall be equal to eight-hundred (\$800.00) dollars per month. Effective January 1, 2015, the employer contribution shall be eight-hundred and twenty-five (\$825) dollars per month, and on January 1, 2016, the employer contribution shall be eight-hundred and fifty (\$850) dollars per month for employees that have been officially appointed to and are funded by the Board to regular full time positions which are .7 FTE or greater.

The employer contribution for employees officially appointed to and funded by the Board to positions equal to or greater than 0.5 FTE but less than .7 FTE shall be based strictly on the percent of appointed FTE (i.e. \$800/month*%FTE).

11.3.2 On the basis of the dollars generated by employer contributions to the insurance benefit pool in accordance with Section 11.3.1, the Employer will divide the pool funds equally to each participating employee. From this pool, the Employer shall make contributions to the approved insurance programs on behalf of employees and their eligible dependents. It is understood that the Employer's benefit contribution level may vary each month.

11.3.3 In no case shall any employee receive more than the amount necessary to pay for that individual's insurance plan, as determined by the most recent approved insurance application form on file with the Employer. If an employee's insurance plan premium is greater than the Employer's contribution distributed pursuant to Section 11.3.2 above, that employee agrees to a payroll deduction sufficient to pay for the additional premium costs.

11.3.4 Those employees whose insurance premiums on their behalf exceed the dollar limits set forth above will proportionately share in the pool shortfall.

11.4 **PART TIME:** The Employer will neither make the group health insurance and group term life insurance programs available for nor make any financial contribution towards those employees who are not regularly scheduled to work at least twenty (20) hours each week (0.5 FTE).

11.5 **CONFIRMATION OF CARRIERS:** The Employer retains the right to confirm insurance carriers for any or all of these coverages. The parties agree to negotiate in a timely manner any change in the above coverages and the impacts of those changes.

Nothing in this agreement shall prevent the parties from exploring and implementing with mutual agreement, alternative health insurance provider options.

11.6 **VOLUNTARY EMPLOYEE'S BENEFICIARY ASSOCIATION (VEBA)**

11.6.1 The Employer and the Union have agreed to establish a Voluntary Employees' Beneficiary Association (VEBA) which is funded by a Health Reimbursement Arrangement (HRA).

11.6.2 Employees wishing to participate in an HRA VEBA may do so by opting out of the medical insurance provided by the employer. To qualify, the employee must provide proof of qualifying medical group coverage that meets minimal essential coverage as defined by the Affordable Care Act. Employees who opt out of the medical insurance must still purchase Pacific County's Vision, Dental and Life Insurance plans.

11.6.3 The parties agree that for employees who opt out of the medical insurance at Pacific County, the employer will contribute the balance of the employer medical benefit contribution remaining after subtracting mandatory vision, dental and life insurance deductions as per the following formula:

- a) Sixty percent (60%) into the individual employee's VEBA account.
- b) Forty percent (40%) into the Union's insurance pool.

ARTICLE 12 – HOLIDAYS

12.1 Holidays observed by the County pertaining to this Agreement are:

New Year's Day (January 1)
Martin Luther King Day (Third Monday in January)
Presidents' Day (Third Monday in February)
Memorial Day (Last Monday in May)
Independence Day (July 4)
Labor Day (First Monday in September)
Veterans' Day (November 11)
Thanksgiving Day (Fourth Thursday in November)
Day following Thanksgiving Day
The working day prior to Christmas Day
Christmas Day (December 25)
Any day proclaimed a legal holiday by Resolution of the Board.

12.2 Holidays which occur during annual leave or medical leave shall not be charged against such leave.

12.3 Should the listed holiday fall on Saturday, the preceding Friday shall be considered the holiday, and if the listed holiday falls on a Sunday, the following Monday shall be considered the holiday. Should the Holiday fall on a regularly scheduled day off, the

employee, with mutual agreement of the employer, shall choose an alternative day off (or in the case of part time employees, an alternate pro-rated day off) to observe the holiday. If a part time employee takes an alternate pro-rated day off the balance of time for that day must be made up with vacation time. With mutual agreement of the employer and the employee, part time employees, for whom the holiday falls on a regularly scheduled day off, may chose to be paid for the applicable FTE portion of the holiday in lieu of selecting an alternate day off.

- 12.4 Employees shall be paid for all holidays observed by the County as delineated in Section 12.1. Payment for those holidays is based upon the employee’s confirmed Employer appointment percentage of full-time equivalency (“FTE”). For example, full-time employees receive eight hours pay at the employee’s normal rate of pay, whereas a fifty percent (0.5 FTE) employee shall receive pay for four hours. [SPECIAL TERM – HOLIDAYS ONLY: If an employee is regularly scheduled to work the optional 4/10 workweek (Section 8.2) or a 9/80 schedule for the entire month in which there is an observed holiday, the employee shall receive ten (10) hours pay, or pay for their regular scheduled hours, respectively (such as 9 hours Holiday pay for those on a 9/80 schedule) at the employee’s normal rate of pay.]
- 12.5 Employees shall receive one and one half (1-1/2) times their hourly rates of pay for all time actually worked on these holidays in addition to compensation for the holiday.

ARTICLE 13 – ANNUAL LEAVE

- 13.1 Employees on probationary status shall not accrue nor be eligible to use annual leave during their probationary period, excluding any extended probationary period. Upon satisfactory completion of their probationary period, or if an employee is placed on extended probation, the employee shall be awarded six (6) normal workdays of annual leave based upon the employee’s confirmed Employer appointment percentage of full-time equivalency, and shall thereafter earn and accrue annual leave in accordance with the following annual leave schedule:

EMPLOYMENT PERIOD (BEGINNING WITH)	TOTAL HOURS OF ANNUAL LEAVE EARNED PER MONTH	TOTAL DAYS OF ANNUAL LEAVE EARNED PER MONTH	MAXIMUM HOURS OF ACCRUED ANNUAL LEAVE
7th month through 5th year	9.34	1.1675	360
6th through 10th years	11.34	1.4175	360
11th through 15th years	13.34	1.6675	360
16th through 20th years	15.34	1.9175	360
The 21st year	18.00	2.25	360

- 13.2 Payment for annual leave is based on the employee's confirmed Employer appointment percentage of full-time equivalency. For example, full-time employees receive eight (8) hours pay, whereas a fifty percent (0.5 FTE) employee shall receive payment for four (4) hours for each day of annual leave.
- 13.3 Annual leave shall be credited monthly at the start of the first working day of the month following accrual, to the employee's accrual account using the applicable amount in the table in Section 13.1. Annual leave shall be earned, used and accounted for on a first-in, first-out basis. Except for an employee's final month of employment, annual leave shall not be credited to an employee's accrual account, nor shall it be authorized for use, during the month of accrual. Applicable only to an employee's final month of employment, his/her final month's annual leave accrual shall be credited on his/her last day of employment.
- 13.4 An employee's request to take annual leave credited to the employee shall normally be honored, provided it does not interfere with workload requirements and schedules. Employees with the greater seniority shall be given preference for annual leave requests; except, when the Official has previously granted an employee's annual leave request, it shall not later be denied as the result of a more senior employee's or supervisor's request superseding the employee's plans.
- 13.5 During normal working hours, the employee's first obligation is in the performance of County duties. If during normal working hours an emergency is declared and assistance is required by the local Fire Chief, County Sheriff or Director of Emergency Management, or their authorized designees, the employee may be asked to respond and/or report to a different department or work site location. Employees asked to leave assigned assignment areas under such emergency response shall report such time to their Official and be compensated for hours worked.
- Volunteer firefighters or EMTS who respond to "routine" emergency calls in their district can leave work with prior approval of their Official and will not be compensated, however the employee can use vacation or accrued comp time to cover their absence.
- 13.6 Unused and accrued annual leave not to exceed two hundred forty (240) hours shall be paid to an employee at his/her regular compensation rate in effect at the time of termination. If an employee that has more than two hundred forty (240) hours of accrued annual leave desires to leave employment, the employee shall be allowed to extend his/her employment by taking annual leave until their annual leave bank has been reduced to not more than two hundred forty (240) hours.
- 13.7 Annual leave shall be taken in blocks of not less than one-half (1/2) hour.
- 13.8 The Employer shall provide to the employees a mid year review of leave balances and may require employees to establish a plan for use of annual leave for the remainder of the year. Any accrued and unused annual leave in excess of the maximum days of accrued annual leave as set forth in Section 13.1 not taken during a calendar year shall be forfeited.

- 13.9 **DONATED LEAVE:** An employee may donate up to sixteen (16) hours per recipient per calendar year, his/her accrued annual leave to other employees as additional medical leave on a prorated (dollar for dollar) basis when the other employees have been left with insufficient medical leave due to extended medical absence. Donation of medical leave must be approved by the Board prior to usage. All usage of donated leave must respond to a specific medically required event or condition. Requests for approval of donated leave shall include documentation from a physician of an FMLA qualifying condition, the quantity of leave necessary, an estimate of the leave balances of the requesting employee at the time that the leave is proposed to begin, a calculation of the estimated leave that will be required during the specific event, a determination of the deficit of leave needed, and a timeline for usage of donated leave. Once approved, an employee may only request, accept and/or use an amount of leave equal to or less than the approved deficit amount. Donated leave will be used on a first-donated first-used basis. Unless approved by the Board for a longer timeframe, unused donated leave approval shall expire and return to the donating employee(s) at the end of the approved FMLA time period or ninety (90) days following the date of Board approval, whichever is greater.

ARTICLE 14 – MEDICAL LEAVE

- 14.1 An employee shall not accrue nor be eligible to use medical leave during the first three (3) months of his/her probationary period. Afterwards, the employee shall be awarded up to twenty four (24) hours of medical leave, adjusted by the employee's confirmed Employer appointment percentage of full-time equivalency, and shall thereafter earn and accrue Medical Leave to a maximum of nine hundred and sixty (960) hours at the rate of eight (8) hours for each qualified month of employment adjusted by the employee's confirmed Employer appointment percentage of full-time equivalency; that is, a full-time employee will be credited with eight (8) hours per month of employment, whereas an employee regularly scheduled to work seventy-five percent of full-time (0.75 FTE) will receive six (6) hours per month of employment. Medical Leave shall be earned, used and accounted for on a first-in, first-out basis. For any month following completion of the first three months of the employee's probationary period, Medical Leave shall be credited monthly, at the start of the first working day of the month following accrual. Except for an employee's final month of employment, Medical leave shall not be credited to an employee's accrual account, nor shall it be authorized for use, during the month of accrual. Applicable only to an employee's final month of employment, his/her final month's medical leave accrual shall be credited on his/her last day of employment.
- 14.2 Except for conversions due to retirement noted later herein, the first two hundred forty (240) hours of unused Medical Leave shall accumulate into a Medical Leave bank and be available to the employee solely for the purpose of Medical Leave. Medical Leave accumulated and unused between two hundred forty (240) hours and nine hundred sixty (960) hours may be converted into annual leave during January and July each year as follows:

MEDICAL LEAVE ACCRUAL BALANCE (in hours)	MEDICAL LEAVE HOURS REDUCED	ANNUAL LEAVE HOURS ADDED
Over 720	4	1
Over 480, but not more than 720	3	1
Over 240, but not more than 480	2	1
240 or less	NA	NA

Medical Leave hours accumulated and unused in excess of nine hundred sixty (960) hours will be converted into annual leave at the rate of one-quarter ($\frac{1}{4}$) hour of annual leave for every hour of accumulated Medical Leave and added to the employee's annual leave bank.

There shall be no severance pay for accumulated and unused Medical Leave except that converted into annual leave.

At the date of retirement and after submission of a written notice of such, an employee's entire accumulated Medical Leave bank may be converted into annual leave according to the above schedule, except that the first two hundred forty (240) hours of accumulated Medical Leave may also be converted at the rate of one-half ($\frac{1}{2}$) hour of annual leave for every hour of accumulated Medical Leave.

Medical leave may be used when an employee needs to be absent from work either for the employee, or for a member of their immediate family (as defined in Article 1.7), for one or more of the following reasons:

- 14.2.1 Non-occupational illness, physical disability, or death/bereavement;
 - 14.2.2 Quarantine by a physician for non-occupationally related disability;
 - 14.2.3 Doctor, dentist, etc. appointments; and
 - 14.2.4 Occupational Injury or Illness resulting in Time Loss Compensation as provided in Section 15.4.
- 14.3 Misuse of medical leave privileges may be cause for discipline. Misuses of medical leave include but is not limited to: a regular pattern of missing Mondays or Fridays or using medical leave to justify an unplanned absence. An employee who is unable to work because of any of the reasons set forth hereinabove shall report which of the above reasons are the basis for their absence to their Official or his/her designee prior to the time the employee is expected to report for work. Medical leave with pay shall not be allowed unless such a report has been made. After three (3) consecutive workdays of medical leave, an Official may require a physician's statement from the employee certifying that the employee's conditions prevented them from appearing for work.
- 14.4 Medical leave shall be taken in blocks of not less than one-half ($\frac{1}{2}$) hour.

ARTICLE 15 – OTHER LEAVES

- 15.1 **JURY DUTY LEAVE:** While on jury duty or while appearing as a legally required witness, an employee will receive full pay from the Employer, but the employee shall reimburse the County the amount of jury or witness fees actually received. An employee who desires to retain such fees or to voluntarily serve as an expert witness and receive the appropriate fee will not receive any payment from the Employer other than payment for authorized paid leaves for said absence.
- 15.2 **MILITARY LEAVE:** Any officer or employee of the Employer who is a member of the State National Guard or Military Reserve Unit shall be entitled to be absent from duty with the Employer with full pay for up to fifteen (15) calendar days during each calendar year while engaging in the performance of officially ordered military duty and while going to or returning from such duty in accordance with the laws of the State of Washington. Such leaves shall be in addition to any other leave or vacation benefits. Employees who are called or volunteer for service with the Armed Forces of the United States or the Washington State National Guard shall be considered for reinstatement in accordance with the provisions of the applicable statute.
- 15.3 **BEREAVEMENT LEAVE:** Paid Bereavement leave not to exceed three (3) workdays may be used due to death of any member of the employee's immediate family (As defined in Article 1.7). Should extended travel become necessary for death in the immediate family, special arrangements can be made at the discretion of the Official. An employee may use sick leave not to exceed three (3) workdays in the event of death of a member of the employee's household that is not an immediate family member. Additionally, 1 day of sick leave may be used for the death of any family member not included in Article 1.7)
- 15.4 **WORKER'S COMPENSATION:**
- 15.4.1 In accordance with State statute, employees are eligible to receive State Industrial Insurance. Any employee who is eligible for State Industrial Insurance because of an injury received while performing their County duties may be paid medical and/or annual leave in the amount of the difference between eighty-five percent (85%) of the employee's normal gross pay and that paid by State Industrial Insurance after the first three (3) days off the job. The full amount of leave shall be paid for the first three (3) days. Should an employee later be paid by State Industrial Insurance for the first three (3) days of absence, the amount paid the employee by State Industrial Insurance for the three (3) days shall be credited to Pacific County from money due the employee in the next payroll period. The pro-rata share of leave, as determined by the ratio of regular leave and State Industrial Insurance, may be charged to the employee for time off the job if County subsidy (leave) is requested by the employee.
- 15.4.2 No employee shall return to work from a disability injury covered by State Industrial Insurance until the ability of the employee to perform the regular

assigned work has been verified, and if necessary, rehabilitation has been conducted. The Employer may request written verification by a physician that the employee can perform the assigned work. If the degree of disability of an employee does not limit their ability to fully perform the activities of another position, the employee may, at the option of the Official, be temporarily reassigned to such position until fully rehabilitated to perform the regular job assignment. The employee must return to work within one (1) workday of release by the physician. The employee will then be placed in the same position or in a like position to the one they held prior to being injured.

15.4.3 If during a calendar month the total compensation paid to an employee by combining State Industrial Insurance and the employee's leave credits being applied is sufficient to qualify, then the employee shall be eligible to receive all benefits offered other Union employees. (accruals will be credited by calculated FTE)

15.4.4 If during a calendar month the total compensation paid to an employee by combining State Industrial Insurance payments and the employee's leave credits being applied is not sufficient to qualify, then the employee shall not be eligible to receive any benefits offered other Union employees, except statutory benefits. An employee who wishes to remain covered by the group health/life insurance program in accordance with Article 11 will be responsible for payment of the insurance premiums in advance of the coverage period.

15.4.5 Prior to fully using their eligible medical and/or annual leave credits, an employee shall have the sole responsibility to apply in writing for a leave of absence without pay.

15.5 FMLA/PARENTAL/FAMILY/SERIOUS HEALTH CONDITION LEAVE:

15.5.1 The FMLA/Parental/Family/Serious Health Condition Leave Policy shall be governed by the Federal Family and Medical Leave Act or the Washington State Family Leave Act. Employees may utilize their entire medical leave and annual leave accruals, or parts thereof, or may request a leave of absence without pay in accordance with Section 15.6. In keeping with Federal Law, the County may require full use of annual, sick and other appropriate leaves during FMLA/Parental/Family/Serious Health Condition leave. However, an employee may preserve up to forty (40) hours of leave at his/her discretion to be unused during FMLA/Parental/Family/Serious Health Condition leave. If an employee exercises the option to preserve said leave, he/she shall present a formal written request to his/her Official or designee that will be subsequently presented by the Official to the Board along with the FMLA/Parental/Family/Serious Health Condition leave request. Requests for FMLA/Parental/Family/Serious Health Condition leave shall not be unreasonably withheld by an Official or the Board.

- 15.5.2 Upon the expiration of the leave of absence with or without pay, the employee shall return to the same job as was held by the employee prior to the leave of absence.
- 15.5.3 The employer may request full repayment of medical premiums if the employee does not return to work after the completion of an approved FMLA/FLA leave of absence.
- 15.5.4 An employee is entitled to State Family Leave (FLA) (RCW 49.78) and Federal Family Medical Leave (FMLA) job-protected leave for up to twelve (12) workweeks, including any paid leave, in a twelve (12) month period, or fraction thereof. Leave allowed under the FLA and FMLA may extend the amount of time for leave for women employees who are eligible under the requirements for FMLA for pregnancy related conditions or childbirth.
- During FMLA and/or FLA designated leave the employer will continue to pay the employer's portion of the employee's medical premium as if the employee were still working. The Employer may require the employee to use paid sick leave and vacation credits for an FMLA/FLA-qualifying purpose in keeping with Section 15.5.1.
- 15.5.5 If an unpaid leave of absence under Section 15.6 is granted for a circumstance covered by the FMLA or the State FLA, that leave will be credited against the 12-week FMLA allowance or the allowance under State FLA.

15.6 LEAVE OF ABSENCE WITHOUT PAY:

- 15.6.1 Employees are eligible to receive leaves of absence without pay of not more than twelve (12) months duration. A written request must be submitted by the employee at least fifteen (15) calendar days before the leave of absence is to become effective.
- 15.6.2 The Official may grant a leave of absence without pay not to exceed six (6) months, while the Board may grant a leave of absence without pay not to exceed twelve (12) months. Approval of such leave shall be in writing and signed by the Official or the Board as appropriate.
- 15.6.3 An employee's first employment obligation is to the County. Therefore, no leave of absence without pay need be granted for personal financial gain or profit. Employees taking a leave of absence without pay without first using all of their accrued leave(s) and who return to work for less than ninety (90) calendar days following their return, shall be paid a final leave payment at the rate paid to such employees prior to the granting of such leaves of absence without pay.
- 15.6.4 No annual leave, medical leave or any other benefits except health benefits for an employee on FMLA, shall be provided while an employee is on leave of absence without pay. The employee's anniversary date will be adjusted accordingly for

determining seniority and longevity for any leave of absence without pay exceeding thirty (30) calendar days unless the leave is taken as parental/family/serious health condition leave provided for in Section 15.5. Also, if the leave of absence without pay is granted and taken for extended absence resulting from an industrial accident or illness normally covered by the provisions of Section 15.4, the employee's anniversary date will not be adjusted for determining seniority.

15.6.5 Upon expiration of a regularly approved leave of absence without pay, the employee shall be reinstated in their previous position without prejudice.

15.6.6 For leaves of absence without pay that are granted by the Official or the Board for medical or personal injury related reasons, the employee must present written certification by a physician that the employee is qualified to return to work and to fulfill the mental and physical requirements of their position. The Official or Board may, at its option and expense, request that the employee pass an evaluation by an independent physician, relating only to the reason for the leave, in order to assure that the employee meets the requirements for employment.

15.6.7 During an approved leave of absence without pay, insurance premiums for the available Pacific County Group Insurance Plans shall be paid in advance of the coverage period by the employee providing the employee is still eligible and wishes to continue insurance coverage(s).

15.7 **Domestic Violence Leave.** In accordance with State statute, an employee is eligible to receive reasonable leave from employment if the employee, or the employee's family member as described by RCW 49.76.020, is a victim of domestic violence, sexual assault, or stalking, for the express purpose of participating in legal proceedings, to receive medical treatment, or to obtain other necessary services related to an incident of domestic violence. The conditions and restrictions governing the type of leave available, notification and reporting requirements, and eligibility criteria to receive domestic violence leave shall be those specified in Chapter 49.76 RCW and/or its replacement.

ARTICLE 16 – NO STRIKE, SLOW-UP, WORK STOPPAGE OR LOCK-OUT

16.1 The Union and its employees, individually and collectively, agree that during the term of this Agreement, there shall be no strike, slow-up or work stoppage. Furthermore, the Union and its employees, individually and collectively, agree that in the event another Union strikes, has work slow-up, or work stoppage during the term of this Agreement, employees will report to work as usual. Failure to do so may be cause for disciplinary action.

16.2 In the event of an unauthorized strike, slow-up or work stoppage, the Employer agrees that there will be no liability on the part of the Union provided the Union promptly and publicly disavows such unauthorized strike, slow-up or work stoppage, orders the employees it represents to return to work, and attempts to bring about a prompt

resumption of normal operations, and provided further that the Union notifies the Employer in writing within three (3) working days after commencement of such strike, slow-up or work stoppage as to what measures it has taken to comply with the provisions of this Section.

- 16.3 In the event that such action by the Union has not affected resumption of normal work practices, the Employer shall have the right to discipline, pursuant to Article 6 (the Discipline Section), any employee represented by the Union who continues to participate in the particular strike, slow-up or work stoppage.
- 16.4 In the event of strike, slow-up or work stoppage, the Union agrees that it will not interfere with Officials and other non-Union employees in any way concerning the performance of their duties. Such precautions are necessary to keep the County's physical properties and records in condition so that operations may resume without delay.
- 16.5 The Employer, individually and collectively, agrees that during the term of this Agreement there will be no lock-out of Union employees.

ARTICLE 17 – SAVINGS AND SEVERABILITY

The provisions of this Agreement are declared to be severed if any section, subsection, sentence, clause or phrase of this Agreement shall for any reason be held to be invalid or unconstitutional, or found to be in conflict with the Code of Judicial Conduct as it pertains to employees of the District and Superior Courts. Such decision shall not affect the validity of the remaining sections, subsections, sentences, clauses and phrases of this Agreement, but they shall remain in effect, it being the intent of the parties that this Agreement shall stand, notwithstanding the invalidity of any part. The parties agree to immediately meet and negotiate a replacement for the severed provision. Should changes in state or federal law hold any of the terms or conditions of this Agreement invalid, such terms or conditions affected shall be renegotiated to concur with the state or federal law.

ARTICLE 18 – LABOR/MANAGEMENT/SAFETY COMMITTEES

- 18.1 The parties to this Agreement shall continue a Labor/Management Committee which will consist of a Council #2 Staff Representative and two (2) other members selected by the Union, one County Commissioner and two other members selected by the County.
