

AGREEMENT FOR PROFESSIONAL SERVICES
Between
Pacific County and The Watershed Company
Amendment #2

WHEREAS, the Professional Services Agreement between Pacific County and the Watershed Company (TWC) effective the 12st of May 2015, allows for amendment to the general scope of the Agreement and the services to be performed; and

WHEREAS, there is a need to revise Exhibit A, Scope of Work, to include Task 4, extend the expiration date, and increase the project budget;

NOW, THEREFORE, the Scope of Work shall be amended to include the following:

Task 4 Local Adoption Process

The Consultant will assist the County through the local adoption process. This task will include making revisions to the current draft Critical Areas and Resource Lands Ordinance per County direction. Drafts will be prepared for the Planning Commission and Board of County Commissioners public hearings; and a final draft for adoption. Throughout the update process, the Consultant will collate input received from the County, Critical Areas Ordinance Technical Advisory Committee (CAO TAC), and the general public. As directed by the County, this input will be incorporated into the draft Critical Areas and Resource Lands Ordinance. This task also includes assistance, as needed, in responding to comments received by the County on the draft Critical Areas and Resource Lands Ordinance from State agencies and the general public throughout the update process.

The Consultant will attend three (3) public meetings as part of this process, anticipated to be one (1) community meeting, one (1) Planning Commission workshop and one (1) Planning Commission hearing. In addition to meeting attendance, this task includes preparation of meeting materials for the three (3) public meetings attended as well as an additional two (2) public meetings not attended.

Assumptions:

1. The CAO TAC and County staff to provide comments concurrent with public feedback.
2. No mapping to be provided during this work effort.
3. The first public meeting to be held in North Cove in mid-March.
4. The Planning Commission workshop will be held in early April followed by a Planning Commission hearing in early May. One meeting to be held in South Bend and one in Long Beach.
5. Coordination of public meetings (advertising, outreach, meeting room reservations, etc.) will be performed by the County.
6. No GIS map products will be necessary.

Anticipated Number Meetings Attended by Consultant: Three (3)

Deliverables and Due Dates by Consultant:

1. Planning Commission hearing draft: due 23 calendar days prior to scheduled date of public hearing
2. Board of County Commissioners hearing draft: due 23 calendar days prior to scheduled date of public hearing
3. Final draft: due one week following Board recommendation
4. North Cove meeting materials: due one week prior to scheduled date of North Cove public meeting
5. Four (4) sets of staff report materials: due 23 calendar days prior to scheduled date of each respective public meeting

Project Expenses

All expenses are included within the Tasks outlined above, estimated at 4% of project costs. These include mileage and other travel-related expenses, standard State per diem rates, supplies, printing/plotting, and other reprographic services for production of deliverables as stipulated above.

Consultant Project Budget for Amendment #2: \$19,900
Amendment #2 Expiration: August 31, 2016

All other terms and conditions within the Agreement shall remain the same.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be executed this ____ day of _____ 2016.
