

Pacific County Solid Waste Advisory Committee

April 21st, 2015

10:00am

Bay Center- United Methodist Church

The meeting was called to order at 10:05am by Michael Spencer

Not able to approved the previous meeting minutes due to a lack of quorum.

The extra bin at in Bay Center, What is it for? It should be labeled.

At least every six months the Department of Ecology should be required to participate in a SWAC meeting, whether it be by phone conference or physically present.

If CPG funding is reduced or cut, would the City of Raymond and South Bend be willing to support the program for Household Hazardous Waste. The advisory board would like to see a letter drafted and sent out to the city councils.

We need a site to volunteer to be a collection site for light bulbs. If residents are only allowed to recycle the bulbs May-Sept., what will they do with them the rest of the year?

Would like a year round battery drop-off location as well.

Posting of the HHW Mobile schedule in multiple locations around town, more advertising.

Next meeting will be in Ilwaco July 21st at 10:00am.
