1 **INTRODUCTION**

1.1. Preamble

1.1.1. This Agreement is made and entered into by and between the Board of Pacific County Commissioners ("Board") and the Pacific County Sheriff ("Sheriff") on behalf of the County of Pacific, Washington ("Employer"), and the Chauffeurs, Teamsters & Helpers Union Local No. 252 ("Union") to meet the requirements set forth in Chapter 41.56 of the Revised Code of Washington.

1.1.2. Whenever words denoting gender are used in this Agreement, they are intended to apply equally to either gender.

2. **RECOGNITION**

2.1. Authority

2.1.1. All collective bargaining with respect to wages, hours, and other working conditions of employment shall be conducted by authorized representatives of the Union and authorized representatives of the Employer.

2.2. Scope of the Bargaining Unit

2.2.1. The Employer recognizes the Union as the sole and exclusive collective bargaining representative for all full-time and part-time law enforcement officers (defined in RCW 41.26.030 and Section 5 of this agreement) of the Pacific County Sheriff's Office, excluding employees filling unclassified positions authorized by RCW 41.14.070, and communications, clerical, corrections and emergency appointed employees.

3 **UNION SECURITY**

3.1. Employment Requirement

3.1.1. It is agreed that all eligible employees shall become members of the Union within thirty one (31) calendar days of employment and shall remain in good standing with the Union during the term of this Agreement as a condition of employment. The rights of non-association of employees based upon bona fide religious tenets or teachings of a church or religious body of which such employee is a member is safeguarded in accordance with RCW 41.56.122.

3.1.2. The Employer, upon notification by the Union that an employee has not achieved or maintained good standing in the Union by payment of required dues and initiation fees, agrees to immediately suspend such employee without pay for seven (7) working days or until such time as the individual becomes a member in good standing with the Union, which ever comes first. Employees failing to meet the requirements set forth in this provision shall have their employment terminated by the Employer.

3.1.3. The Union and the employee agree to indemnify and hold harmless the Employer for any loss or damage arising from the operation of this provision.

3.2. Check Off of Union Dues & Initiation

3.2.1. Pursuant to RCW 41.56.110, any employee who is not a member of the Union shall as a condition of employment, pay the Union a monthly service charge equal to the monthly Union dues as a contribution toward the administration of this Agreement. Employees who fail to meet this requirement shall be subject to suspension and/or termination as set forth in Section 3.1., EMPLOYMENT REQUIREMENT. The right of non-association of employees based on bona fide religious tenets or teachings of a church or religious body an employee is a member are safeguarded. Such employee shall pay an amount of money equivalent to regular Union dues and initiation fees to a non-religious charity or to another charitable organization mutually agreed upon by the employee affected and the Union. The employee shall furnish written proof that such payment has been made. If the employee and the Union do not reach agreement on such matters, the Public Employment Relations Commission shall designate the charitable organization.

3.2.2. The Union and the employee agree to indemnify and hold harmless the Employer for any loss or damage arising from the operation of this provision. It is also agreed that neither any employee nor the Union shall have any claim against the Employer for any deductions made or not made unless a claim of error is made in writing to the Employer within forty-five (45) days after the date such deductions were or should have been made.

4. MANAGEMENT RIGHTS

4.1. Customary Functions

4.1.1. Except as limited by an express provision of this Agreement and subject to RCW 41.14 and the Pacific County Civil Service Rules, the Employer shall retain the right to exercise the customary functions of management so long as any adjustments do not constitute a unilateral change in wages, hours, and/or working conditions. These rights include directing the activities of the Sheriff's Office, determining the levels of service and methods of operation, including the introduction of new equipment, the right to hire, lay off, transfer, promote and discipline, and to determine work schedules, assign work and determine time and location of an employee's work shift.

4.1.2. The parties hereby recognize that delivery of services in the most efficient, effective, and courteous manner is of paramount importance to the Employer, and, as such, maximized performance is recognized to be an obligation of employees covered by this Agreement. In order to achieve this goal, the parties hereby recognize the Employer's right to determine the methods, processes and means of providing services, to increase, diminish, or change equipment, including the introduction of any and all new, improved or automated methods or equipment, and the assignment of employees to specific jobs within their respective job classifications within the bargaining unit.

4.1.3. The parties agree that due to possible budgetary restrictions during the life of this Agreement there may be reductions in force. Should the reduction in force cause an emergency situation to exist, the Employer may require specific bargaining unit members to work outside of their normal civil service classifications for a period not to exceed thirty (30) calendar days. The burden of proof shall be upon the Employer to justify that an emergency exists. No bargaining unit employee shall suffer a loss or a gain in pay for working out of classification during the term of the "emergency". Use of this provision in excess of the thirty (30) calendar day period or an alleged misapplication may be addressed through whatever legal recourse is available.

4.2. Contracting of Services

4.2.1. Contracting of services shall be permitted based upon mutual agreement between the Employer and the Union. If the Sheriff and the Union cannot mutually agree to such proposal, the proposal shall be submitted to a three (3) person arbitration panel for resolution. The Sheriff and the Union shall each pick one (1) member of the panel and the two (2) members so picked shall pick the third presiding member to hear the issue at hand. The Sheriff and the Union will present their positions to the arbitration panel. The panel may meet to privately discuss the proposal and shall render a written decision which shall be final and binding on both parties unless such decision violates any federal or state laws or local civil service rule; in which case the decision of the panel would be subject to review.

4.2.2. In consideration of the aforementioned provision, all such contracts shall contain a proviso whereby the contract entered into shall be terminated by the Sheriff with not more than sixty (60) calendar days notice to the contractor. The contractor shall be notified of the pending contract termination at the same time bargaining unit employees are notified of a pending layoff or reduction of employment hours. Following the cancellation of the contract, all hours made available by such cancellation(s) shall be offered to qualified bargaining unit employees during the duration of a lay off or reduction of employment hours.

5. EMPLOYEE DEFINITIONS

5.1. General Classifications

Within each general type defined below, employees will be further classified as full-time or part-time depending upon the hours that they are regularly scheduled to work on a continuous basis. Full-time refers to an employee scheduled to work forty (40) hours or more within a designated work week. Part-time refers to an employee scheduled to work less than forty (40) hours, within a designated work week but at least 1/6th time.

5.2.1. An employee appointed by the Sheriff from a certification list provided by the Pacific County Civil Service Commission who has not yet completed twelve (12) consecutive months of employment. A probationary employee may be disciplined or terminated without recourse to the grievance procedure. When applicable, time spent in the basic police academy is exclusive of an employee's twelve (12) month probationary period.

5.2.2. An employee promoted to a higher paying classification shall be required to serve an additional six (6) month probationary period in the new classification. Failure to perform satisfactorily in the new classification shall result in the employee returning to the classification previously held.

5.3. Regular Employee

5.3.1. An employee appointed from a certification list who has satisfactorily served the full probationary period.

5.4. Temporary Employee

5.4.1. An employee appointed to fill a vacant Civil Service classification for a temporary period of time as determined by the rules and regulations of the Pacific County Civil Service Commission. Temporary employees may be disciplined and/or terminated without recourse to the grievance procedure. The date of hire as a temporary employee shall not establish the employee's hire date for the purpose of seniority nor shall the employee receive credit for probationary time served should the employee subsequently be hired as a regular employee. Temporary employees shall be covered by the terms and conditions set forth in this Agreement.

5.5. Emergency Appointed Employee

5.5.1. An employee appointed on an emergency basis in accordance with the Pacific County Civil Service Rules. 6. COMPENSABLE HOURS

6.1. Hours of Work

6.1.1. The normal work week for full-time employees shall be forty (40) hours in a seven (7) day period, consisting of five (5) eight (8) hour workdays with two (2) consecutive days off unless mutually agreed differently between the employee and the Employer. Employees shall have a minimum of twelve (12) hours between scheduled shifts. The reporting week will be Sunday through Saturday.

6.1.2. Except due to extraordinary circumstances the adjustment of scheduled shift hours shall require at least seven (7) calendar days advance written notice. The advance notice period may be waived by mutual agreement between the Employer and the employee affected. Extraordinary circumstances shall not include Employer scheduling errors or the Employer's burden associated with the payment of overtime provided that overtime appropriation exists.

6.1.3. The below listed conditions shall apply to shift scheduling by normal assignment area (North/South).

- a) Shift schedules shall consist of non-rotating shifts;
- b) Designated shift schedules shall be bid by seniority each calendar year. Sergeants shall bid shifts separately. Such shifts are specifically designed to maximize supervision of field operations; and
- c) The designated shift schedules shall be made available by November 15th of the preceding calendar year. Each employee shall be provided a minimum of three (3) calendar days to submit their shift bid; and
- d) Each shift shall maintain scheduled work days/days off throughout the calendar year; however, daily hours of work for each designated shift may be varied each calendar quarter by up to two (2) hours, plus or minus.
- e) Failure of an employee to submit their shift bid shall constitute a forfeiture of such bid and such employee shall be assigned a shift from those remaining after seniority bidding is completed; and
- f) Designated hours of work may be modified by mutual agreement between the Sheriff or designee and the employee.
- g) Shift scheduling does not preclude daily assignments throughout the county.

6.1.4. Vacancies created by termination, voluntary resignation, or long term disabilities shall be re-bid by seniority at the time the vacancy is filled.

6.1.5. Area Relocation: If an employee and the Sheriff mutually agree to an employee relocation plan said employee shall be reimbursed for the reasonable costs associated with the move

6.2. Overtime

6.2.1. Compensable time in excess of forty (40) hours in any calendar week Sunday through Saturday or more than eight (8) hours in any workday shall be paid at one and one-half times the regular rate of pay. During regular shift rotation, forty (40) hours per designated work week will be the determining factor on whether an overtime liability has been incurred by the Employer. "Regular rate", for the purpose of establishing an hourly rate of pay for the calculation of overtime, shall include Longevity and, when applicable, Working Out of Classification and Special Skills and/or Qualifications adjustments.

6.2.2. Overtime work hours shall be made available based upon seniority within each Operations Division assignment area (See 9.2.5.). It shall be the Sheriff's or his designee's responsibility to notify, track, and schedule employees for overtime seniority assignments, except in the following circumstances:

a) **Incidental Overtime:** Overtime which falls into this category shall not require the assignment of work available on a seniority basis, provided, that such work is relative to an employee's on-duty assignment and such time is worked contiguous with his or her regular scheduled shift.. Incidental overtime may also be used for shift coverage until such time as an assignment is made on a seniority basis, but shall not apply to pre-scheduled vacancies.

b) **Emergency Overtime:** Overtime which falls into this category shall not require the assignment of the work available on a seniority basis, provided, that an emergency assignment is a practical necessity and a subsequent delay may seriously impact the Employer's ability to deliver the services required in a timely fashion.

6.3. Meal & Rest Breaks

6.3.1. An employee shall be permitted, during the course of his or her eight (8) or more hour work shift, to take a thirty (30) minute meal break and two (2) fifteen (15) minute rest breaks.

a) Employees unable to take their thirty minute (30) meal break shall be compensated at their overtime rate of pay for such time or said time may be taken as compensatory time during the remainder of the work week in which it is earned.

b) Failure to take the fifteen (15) minute rest breaks, for whatever reason, shall not result in additional compensation.

c) The Sheriff or his designee shall attempt to make reasonable accommodations to provide meal and rest breaks for each employee.

6.3.2. An employee working beyond his or her eight (8) or more hour regular work shift three (3) or more hours shall be allowed an additional thirty (30) minute paid meal period.

6.4. Call Out

6.4.1. An employee is assumed to be available for call-outs from his or her off-duty status unless such employee specifically advises his or her immediate Supervisor and/or informs the Communication Center of his or her unavailability for such call outs which occur from time to time. In order to facilitate efficient response time, the employee shall remain contactable (telephone, mobile or portable radio, or pager) and shall have in close proximity his or her department identification and weapon when the employee is available for call out.

6.4.2. An employee who is called into service by his or her Supervisor shall be guaranteed a minimum of two (2) hours of compensation at the employee's applicable rate of pay.

a) The two (2) hour minimum shall not apply when such time is worked in conjunction with the employee's regularly scheduled hours of work.

b) The employee shall not be required to remain in active service for the full duration of the minimum set forth above, however, any subsequent call outs during the two (2) hour block of time, commencing with the start of the original call-out, shall not cause any additional compensation to be paid to the employee until such time as the two (2) hour block of time has expired.

6.4.3. Contact Calls: Unless the information being solicited should have been passed on at the conclusion of an employee's shift in the form of written correspondence or computer mail, an employee who is contacted at home to solicit information which is beneficial to the Employer shall be compensated a minimum of thirty (30) minutes at the employee's applicable rate of pay. Repetitive contacts during a thirty (30) minute period shall not warrant additional compensation.

- a) Compensation for contact calls shall not be applicable to Sergeants or Lieutenants.

6.5. Working out of Classification

6.5.1. An employee working out of classification in an exempt or non-exempt position with a higher rate of pay at the request of the Sheriff or designee for an entire shift shall be compensated for all hours worked at that higher classification's lowest level rate of pay that constitutes an increase in the employee's salary of not less than ten percent (10%). It shall be the employee's responsibility to notify the Employer of a claim for this pay by means of applicable time cards. This provision shall apply to all classifications. This provision shall not apply when Section 4.1.3. has been invoked.

If the length of absence exceeds six (6) months, the Employer's pro-rated share will be charged against the employee's leave accruals until they are exhausted. Employees shall not continue to accrue sick leave and vacation hours during the first six (6) months of any such disability leave.

An employee commencing work on a holiday shall be paid for all hours worked at the premium rate even if such shift continues into a non-holiday period. An employee commencing a shift on the day before a holiday, and who subsequently works into the holiday, shall not be eligible to receive holiday premium compensation.

7.5.3. An employee scheduled to work on a designated holiday may request the designated holiday off or the courthouse recognized day off. If the request is granted by the Sheriff or designee, the equivalent number of hours shall be debited from the employee's vacation accrual bank.

7.5.4. The Employer agrees that employees scheduled to work a designated holiday shall not be denied the ability to work as scheduled.

7.5.5. Any day proclaimed a legal holiday, in addition to the holidays listed above, by proclamation of the Board of County Commissioners shall be recognized by the employees as a designated holiday.

Full-time employees who work any hours in a calendar month shall receive full vacation accrual credit for that month; except, upon separation of service, such employees will have the final month or portion thereof prorated. Part-time employees shall be entitled to vacation and accrue hours in relation to their full time equivalent (FTE) appointment factor; e.g. a 0.6 FTE employee with 60 months of service would accrue 10.40 hours each month.

7.6.3. Vacation boards shall be utilized for those employees wishing to utilize seniority for vacation bidding purposes.

- a) A vacation board shall be developed for each duty section (i.e. North, South). Vacation times selected by seniority must be bid in minimum blocks of one (1) normal work week and shall not exceed three (3) weeks scheduled during the initial bid period.
- b) Blocks of less than a normal work week may not be bid by seniority.
- c) Employees not wishing to bid on vacation by seniority shall initial and pass the board to the next senior employee. Once the board has been passed to an employee, said employee shall not be allowed to unduly delay the selection process by delaying their decision on their desired selection.
- d) Seniority bidding must be completed not later than January 31st of each calendar year, and shall consist of an initial bid of one (1) to three (3) weeks and a secondary bid prior to being opened on a first come first served basis.
- e) A maximum of one (1) bargaining unit employee may be on vacation at any one time for each duty section. Exceptions to the maximum may be granted by the Sheriff or designee on a case by case basis.
- f) The Sheriff or designee may determine "restricted times" wherein vacation time off may not be scheduled; provided that the restricted times shall be so noted on the vacation board published each year, and further that, the Sheriff or Designee may allow exceptions on a case by case basis.

7.6.4. Vacation time requested outside the seniority bid process shall be given consideration on a "first come, first served" basis and may be requested in blocks of time which are equal to the employee's normal work day. Blocks of time which are less than a normal work week may not be requested more than thirty (30) days in advance of the requested dates.

7.6.5. All vacation requests shall be approved or denied by the Sheriff or designee within twelve (12) calendar days of receipt of the request. Denials of requested vacation time off shall be based upon a "bonafide business necessity".

12.3. Procedure

12.3.1. Initial Action: As soon as possible, but in no case later than fifteen (15) days after an employee has been made reasonably aware of a grievable dispute, the employee shall submit a written summary of the grievance to the Union for determination of merit. The employee may informally discuss the alleged grievance with their supervisor and/or the Sheriff prior to submitting it in writing to the Union.

12.3.2. Union initiated grievances shall be submitted in writing directly to the Sheriff for resolution.

12.3.3. Written Grievance to Sheriff: Upon the determination of merit by the Union, or if the grievance is not informally resolved, the grievance shall be submitted to the Sheriff for resolution. The written grievance shall set forth the detailed facts concerning the nature of the grievance, contractual provisions allegedly violated, if applicable, and the relief sought. An investigation shall be conducted into the allegations and the employee and the Union shall be notified in writing of the Sheriff's decision within a reasonable amount of time after receipt of the written grievance.

12.3.4. If the grievance is not resolved to the satisfaction of both parties as set forth in the forgoing paragraphs, or the Sheriff fails to respond to the grievance in a timely manner, the grievance may be submitted to the Pacific County Civil Service Commission or to grievance arbitration as set forth in Section 12.4. unless the processing of such grievance is limited by Section 12.3.5. The Union or the employee may utilize one resolution process but shall be prohibited from utilizing both processes for the same grievance. Nothing contained in this Section shall be construed as to prevent a Civil Service appointed position from seeking resolution to a non-property loss disciplinary action in front of the Civil Service Commission without Union representation. Grievance mediation may be used as an alternate resolution process, based upon mutual agreement, before proceeding with the formal remedies listed above.

12.3.5. Disciplinary action, other than property loss, (i.e. accrued sick leave or vacation debit, suspension, demotion, or discharge) shall not immediately proceed to arbitration or to a Civil Service Hearing if such grievance is not resolved with the Sheriff. Such action shall be held in abeyance and be subject to resolution by arbitration or the Civil Service Commission only if such prior discipline is being relied upon by the Sheriff in the case of a subsequent disciplinary action, in which case, the grievance which was held in abeyance will be adjudicated at the arbitration or Civil Service hearing prior to the adjudication of the discipline imposed.

12.4. Arbitration

12.4.1. A request for arbitration shall be in writing and shall be submitted to the other party within fifteen (15) calendar days following the date that final resolution is not reached or not responded to under the aforementioned grievance procedure. Said appeal shall identify the previously filed grievance and set forth the issue(s) which the moving party seeks to have arbitrated.

12.4.2. The Public Employment Relations Commission shall be requested to assign a staff arbitrator to hear the issue(s) in dispute, or to provide a list of eleven (11) arbitrators from the Public Employment Relations Commission (PERC) or the Federal Mediation Conciliation Service (FMCS). The moving party shall complete the necessary paperwork required by PERC or FMCS for the assignment of an arbitrator or the providing of a list of arbitrators. If a list is requested, the striking order shall be determined by a coin flip. Striking shall continue until one arbitrator remains.

12.4.3. The arbitrator shall be limited to determining whether the Employer or the Union has violated, erroneously interpreted, or failed to apply properly the terms and conditions of the Agreement. The arbitrator shall have no power to destroy, change, delete from, add to or alter the terms of this Agreement.

12.4.4. The arbitration hearing shall be convened as soon as possible after the appointment or selection process is completed. PERC rules and regulations shall govern the hearing if a PERC assigned arbitrator is utilized.

12.4.5. The parties agree that the decision of the arbitrator shall be final and binding and implemented within thirty (30) calendar days following the rendering of the decision.

12.4.6. Each party shall bear the cost of the preparation of its own case.

12.5. General Grievance Provisions

12.5.1. The term "employee" as used in this provision shall mean an individual employee or a group of employees accompanied by a Union representative.

12.5.2. A Union representative and/or an aggrieved party shall be granted time off, without loss of pay, to process a formal grievance after the written grievance has been submitted to the Sheriff; however, consideration should be given for the lost time that the Employer is required to bear to process the grievance. Preparation and filing of a written grievance shall be completed on the Union Representative's and/or employees' own time. Any investigations undertaken by the Union upon the work site shall be conducted so as not to disturb the work of other employees and only after advance notice to the Sheriff.

12.5.3. Grievances on behalf of an individual employee may be initiated or pursued by the Union without the employee's consent when the lack of pursuit of the issue would adversely affect the rights of other bargaining unit members.

12.5.4. The time limits within which action must be taken or a decision made as specified in this procedure may be extended by mutual written consent of the parties involved. A statement of the duration of such extension of time must be signed by both parties.

12.5.5. Any grievance shall be considered settled at the completion of any step if all parties are satisfied or if neither party presents the matter to a higher authority within the prescribed period of time.

13 SEVERABILITY

13.1. Savings Clause

13.1.1. If any provision of this Agreement should be held invalid by operation of law, or by any tribunal of competent jurisdiction, the balance of this Agreement shall continue in full force and effect. The provision held invalid shall be modified as required by law or by a tribunal of competent jurisdiction, or shall be re-negotiated for the purpose of an adequate replacement.

14. DURATION OF AGREEMENT

14.1 This Agreement shall be deemed to have become effective January 1, 2014, and will continue in effect through December 31, 2016. Specific provisions of this Agreement may be opened for further negotiations upon mutual written agreement of the parties to the Agreement.

THIS AGREEMENT IS EXECUTED THIS 24th day of, February 2015, by the authorized agents and representative of the parties hereto.
