

Invitation to Participate in the Pacific County Site Reuse and Revitalization Program Community-Wide Kick-Off Meeting

Pacific County, in conjunction with the Port of Willapa Harbor, Port of Ilwaco, Port of Chinook and the Cities, is currently preparing an application for up to \$600,000.00 in US EPA brownfield grant funding for the reuse and revitalization of properties throughout Pacific County. To be successful, the County along with its partners, is seeking community input and support for the project.

The goal of the U.S. Environmental Protection Agency program is to turn underutilized sites from community blight to community benefit!

PUBLIC MEETINGS:

- ♦ **NORTH COUNTY:** Wednesday, November 30, 2016 at 11am-12pm at the Grays Harbor College-Riverview Education Center in Room 110
- ♦ **SOUTH COUNTY:** Wednesday, November 30, 2016 2pm-3pm at the Ilwaco Community Center

The purpose of these meetings is to provide basic information on the site reuse and revitalization program, grant application process, and initiate a discussion of priority reuse and revitalization opportunities throughout the county.

We look forward to your participation!
