

Enterprise Funds

Enterprise Funds may be used to report any activity for which a fee is charged to external users for goods or services. Enterprise funds are required for any activity whose principal revenue sources meet any of the following criteria:

- Debt backed solely by a pledge of the net revenues from fees and charges.
- Legal requirement to recover cost.
 - An enterprise fund is required to be used if the cost of providing services for an activity including capital costs (such as depreciation or debt service) must be legally recovered through fees or charges.
- Policy decision to recover cost.
 - It is necessary to use an enterprise fund if the government's policy is to establish activity fees or charges designed to recover the cost, including capital costs (such as depreciation or debt service).
