Designated Forestlands – Forestlands used solely for the planting, growing, or harvesting of trees and which are typified, except during a single period of five years following clear-cut logging, by canopies so dense as to prohibit growth of an understory. Federal/Tribal Lands – All federal lands including U.S. Fish and Wildlife Service lands, U.S. Forest Service lands, and all tribal lands.

Exempt Parcels – This category includes parcels that are considered to have no value for taxation or that receive no benefit from noxious weed control. This may include mineral rights parcels and/or float houses.
