2015 Budget Narrative

The Pacific County Board of Commissioners adopted the 2015 budget in the amount of \$32,556,849. This includes current expense fund appropriations of \$9,953,301 and appropriations of \$22,603,548 in all other county funds.

This was a very challenging budget. County revenue is not keeping up with inflation, and, consequently, approximately 9.3 full-time equivalent (FTE) staff positions were eliminated in this budget. Fortunately, attrition enabled the cuts to have minimal impact on remaining staff, although there were some reductions in hours.

Some office hours have been reduced, specifically in the Department of Community Development. Construction is still relatively flat, especially in the north part of the county. The general fund will supplement that department more in fiscal year 2015 than at any point in the past decade.

The sheriff's office historically is allocated about 38% of the current expense fund and this year is no different. That department has suffered some because state and federal grants that supported staffing have been eliminated.

Commissioners will be monitoring income and expenses closely with plans to revisit the budget mid-year and make any necessary adjustments. The forecast for revenue for the next couple of years is not good and without an increase in same there will be more reductions.

For the most part, elected officials and department heads have been very responsive to the overall budget challenge by working closely with the commissioners to consider options for meeting the needs of our public and dealing with fewer funds. It has not been easy or fun for staff, and the commissioners appreciate the cooperative spirit that has been brought to the table by county leadership.

Revenue Categories

Real & Personal Property Tax: The authority for property tax collections lies within RCW 36.40.090 and 84.52.043(1)(b). The limitations to these collections are included within Chapter 84.55 RCW. Property tax is an ad valorem tax levied on the assessed valuation of real and personal property defined by RCW 84.04.080 and 84.04.090. Property assessments are made by the county assessor and taxes are collected by the county treasurer.

Local Retail Sales & Use Tax: The authority for local sales and use tax is within Chapter 82.14 RCW. This revenue source is a tax on retail sale or the use of goods and some services within the county. The maximum amount collected by the county for general purposes is limited to 1.0 percent (0.5% basic plus 0.5% optional) of the retail sales/use price. The current collection by the county represents 1.0 percent of sales/use from the unincorporated area and 0.15 percent of sales/use from the incorporated cities.

Timber Taxes & Related Revenue: The authority for timber taxes is within Chapter 84 RCW and RCW 73.12.120, and includes the sub-categories of forest harvest excise tax and revenues derived from State Forest Board Purchased and Transfer Lands. The Washington State Department of Revenue collects forest harvest excise tax for timber harvested on public and private property. This tax is returned to the county treasurer for formula distribution amongst the taxing districts within the county. Ultimately, county revenue from this tax is based on the county's share of public and private forest excise tax from harvests within the county, and the total dollar value of the timber harvested. The county also shares in the proceeds from the sale of timber from state forestlands managed by the Department of Natural Resources. The budget projection for forest harvest excise tax is based on past collection trend analysis and economic projections, while State Forest Board revenue is based on sales activity projections from the Department of Natural Resources' County Income Report.

Criminal Justice & Local Government Assistance: The authority for these categories of revenue is within Chapter 82.14 RCW, RCW 82.14.310-330, and Referendum 49. These funds are used to assist with county criminal justice expenditures and have decreased dramatically when sources specified by Referendum 49 were reduced and the motor vehicle excise tax was eliminated in response to the overwhelming public support for Initiative 695.

PUD Excise Tax: The authority for this tax is within Chapter 54.28 RCW. This is state levied tax on the generation and distribution of electricity. This is essentially a very small portion of the electricity sales within the county.

Other Taxes: There are a variety of sources within the RCW's that allow for collection of other minor taxes. Pacific County's collections include leasehold excise tax, local gambling tax, and revenues related to delinquent property tax payments.

Revenue Categories

Charges For Services: This category includes the fees for service including: serving as an agent for Washington State vehicle licensing, legal recordings, filings, printing, and other fees.

Fines & Forfeits: This category includes the court assessed fines and penalties, from both district and superior court.

Licenses & Permits: There are a variety of sources within the RCW's that allow for the collection of licenses and permit fees. The two largest of these fees include concealed weapons permits and marriage licenses.

Miscellaneous Revenue: Historically, investment interest accounts for the majority of this revenue category. Other sources include rentals and private donations.

Other Intergovernmental Revenues: This category includes grants and other revenues from other governments, generally for services provided.

The county assessor is responsible for the assessment of real and personal property in accordance with state law. The assessor determines fair market value of taxable property. State law requires the assessor to:

1. Physically inspect and appraise real property once every six years.
2. Assess new construction.
3. List and assess taxable personal property every year.
4. Compile assessed values and compute annual levies for taxing districts.
5. Provide a yearly tax roll to the treasurer.
6. Maintain a program for forest tax law and open space property.
7. Maintain accurate property tax records.
8. Assist low income senior citizens and disabled persons in filing annual property tax exemptions.
9. Complete section maps for the county and maintain those maps with updated property information.

The assessor's records pertaining to property ownership and value, legal descriptions, and mapping are available to the public.

The Board of County Commissioners (BOCC) is Pacific County's legislative body. The BOCC consists of three commissioners who serve as the chief administrators for the Departments of General Administration, Public Works, Community Development, Public Health & Human Services, and other services and programs which are not clearly the responsibility of another elected county official. The commissioners' primary duties are to adopt a budget for each calendar year and to levy the taxes to operate the county.

Also, within their legislative authority capacity, the commissioners are responsible for adopting, amending, and repealing all county ordinances. These include traffic, zoning, planning and public safety ordinances, and any other ordinance concerning the general welfare of the county.

County commissioners have a key role in a wide variety of community boards and commissions which affect citizens of Pacific County. They also serve on a variety of multi-county boards with other public officials to direct public policy.

In their judicial capacity, the commissioners are often called upon to act as an appeal board to sit in judgment of decisions made by county employees or agents.

The BOCC meets each month in the county seat (South Bend) on the 2nd and 4th Tuesday at 9 AM at the county annex building. Special meetings may be called by the board with appropriate notice at times and places deemed necessary. Meetings are open to the public consistent with the Open Public Meetings Act, and a record is made of all proceedings.

Personnel Overview

Historically, staff support has been provided by a chief examiner, who worked a part-time schedule based on the number of openings and tests administered.

Beginning in the first quarter of fiscal year 2014, a portion of an FTE has been allocated for staff support for the civil service commission. The FTE allocation in fiscal year 2015 is 0.2.

In accordance with Washington State Law (Chapter 41.14 RCW) the Pacific County Civil Service Commission oversees the establishment of a merit system of employment for county deputy sheriffs and other employees of the office of county sheriff.

The commission, which is made up of three persons appointed by the county commissioners, oversees the work of the chief examiner who provides fair entry and promotional examinations based upon job analysis, maintains ranked hiring registers, and investigates appeals of disciplinary action. The commission meets on the third Tuesday of each month.

In accordance with the RCW, commissioners are not compensated.

The county clerk has specific and special duties assigned by statute and court rules. The duties are administrative in nature, and quasi-judicial in some cases, but the county clerk is best described as the administrative and financial officer of the superior court in the county.

Some of the general duties of the office include receiving filings for all types of superior court level litigation, maintaining files, court exhibits and depositions, recording all documents required, certifying records, preparing dockets, receiving, filing and approving certain bonds.

The clerk also acts as a quasi-judicial officer for the issuance of writs, orders, subpoenas and related duties, draws and maintains jury panels, and is present or represented for all sessions of the superior court.

In addition, the clerk collects statutory fees for litigations and fines, holding them in a separate trust as directed by order of the court. They receive and disburse money on judgments, child support payments and restitution, and are required to maintain an efficient accounting system.

The clerk's staff is partially funded by the following:

Fund 191 (BECCA Reserve)
Fund 138 (Special Court Accounts)

The special investigative fund was established to account for special court assessments that are to be utilized for specially defined investigative activities.

This budget supports the Pacific County Drug Task Force (DTF), which works to coordinate information received from citizens and other DTF agencies to identify narcotic trafficking in Pacific County. Investigations are conducted, arrests and search warrants are planned and served, and criminal cases are forwarded to the Pacific County prosecutor for charging. DTF members include the Pacific County sheriff's and prosecutor's offices, the cities of Long Beach and Raymond, the Washington State Patrol, the Washington State Department of Fish & Wildlife, and the US Coast Guard.

On January 1, 2015, this budget will be incorporated into Pacific County's current expense fund per Resolution No. 2015-001. The new fund/department number for special investigative services will be 001.832. Through December 31, 2014, special investigative revenues and expenditures were coded to fund #132.

The county treasurer is custodian of all county money and investments. The treasurer also serves as ex-officio treasurer and chief investment officer for many other taxing districts and governmental entities such as school districts, port districts, and fire districts.

The treasurer is responsible for collection and distribution of taxes and other revenues for each of the entities for which he/she serves as treasurer. In this capacity, the office disburses their monies to redeem warrants issued by the county auditor and other entities. The treasurer is responsible for the investment of surplus monies present in any of the funds.

Records are maintained in this office and reported to the auditor's office, which accounts for the receipts, disbursements, investments, and fund balances on all of the transactions handled through the treasurer's office.

Spartina Eradication

In 2011, Pacific County received funding to hire a spartina control crew and initiate spartina eradication in cooperation with the Washington State Department of Agriculture and the U.S. Fish & Wildlife Willapa National Wildlife Refuge.

The Pacific County Vegetation Management Department/Noxious Weed Control Board provides plant management services to a wide range of entities in Pacific County ranging from private landowners to local, county, state, and federal government. Private businesses and utility companies also use the services of the department.

The primary function of the vegetation management program is to provide safe, efficacious, and cost effective herbicidal management of problem vegetation & noxious weeds along approximately 700 shoulder miles of Pacific County right of ways. This vegetation, if left unchecked, leads to the degradation of pavement as well as increased accidents and wildlife kills due to reduced visibility. The program has also established an owner maintain program in which landowners may control vegetation adjacent to their property with non-herbicidal methods.

In addition, integrated vegetation management services are performed for local governments, state government, federal government, utility companies, and private individuals. The department serves as a clearinghouse of information for the public regarding vegetation management.

The director of the vegetation management program also serves as coordinator for the Pacific County Noxious Weed Control Board. This board, consisting of five voting members representing individual districts, is appointed by the Board of County Commissioners.

The Pacific County Department of Community Development (DCD) serves as the county lead agency in land-use and environmental policy development. DCD serves as a "one stop shop" permit center for land use and project review in Pacific County.

Pacific County Ordinance No. 129 created this fund to account for building, planning, and environmental health activities. A number of community and county grants are also administered through this fund. Revenues are from fees generated by the operation activities and various grants.

The planning division reviews project proposals for zoning compliance, critical area impacts, and drainage impacts. The building division completes building plan reviews and conducts numerous site inspections throughout the construction process.

The environmental health division conducts on-site septic and water system inspections, operates a drinking water laboratory, and administers public health programs. The environmental health division also operates a household hazardous waste collection facility and investigates solid waste complaints.

Other Information

In 2005, the county transitioned to countywide vote by mail and implemented a new voting system that uses a digital scan ballot for voting.

A new voter registration system was implemented in May 2009.

The county website has been updated to include links to the Office of the Secretary of State, maps of the districts, election results, and ballot tracking (which allows voters to check status of their ballot throughout the election process).

The county receives state support during odd year elections.

Updates

2008 - Provided ADA accessible ballot drop boxes in Long Beach, South Bend, and Naselle.

2009 - Implemented video voter's guide - A voter can see and hear the candidate speaking. Each voter can get a preview of their ballot online.

Fund 127 was established to account for funds generated as per RCW 36.22.178, 36.22.179, and 36.22.1791. These laws establish a fee on documents recorded in the auditor's office. Proceeds from these recording fees must be used to pay for low income housing programs and to implement the Pacific County 10-year plan to end homelessness. Pacific County and the cities of Ilwaco, Long Beach, Raymond, and South Bend have entered into an inter-local agreement that allows the Joint Pacific County Housing Authority, within limits of state law, to direct the expenditure of these funds.

2011 expenditures include the local match for the provision of supportive services to occupants of permanent supportive housing units in South Bend, ongoing operational support for the land-banked low income housing site acquired by the Joint Pacific County Housing Authority in Long Beach, funding of the Joint Pacific County Housing Authority's annual point-in-time homeless persons count, direct services to low income and/or homeless individuals, feasibility analysis for acquisition of existing senior housing units, and feasibility and design of conceptual senior housing units in Long Beach.

Personnel Overview

Staff support for this fund is provided by the Department of Community Development (Fund 116).

Revenue Info

The Washington State Department of Fish & Wildlife will replenish this fund to a maximum of \$100,000 annually.

The Pacific County Shellfish On-Site Sewage Program fund was established by Resolution No. 2003-031 for the purpose of administering a loan program with funds from the State of Washington.

This program will allow homeowners in areas located near Willapa Bay the ability to access low interest loans to repair or replace septic systems. This program is managed in cooperation with Craft3 (formerly Enterprise Cascadia) of Ilwaco.

In 2009, the county transferred \$139,507 to the Washington State Department of Fish & Wildlife (WDFW) per SHB 2823. The Bill stipulated that the extra funds were to be used for executing specific funding projects related to shellfish in Willapa Bay. In order to keep the low-interest loan program viable the Legislature gave the county a fund balance of \$100,000, which is replenished annually per RCW 77.60.160.

Fund 138 was established by Resolution No. 2007-067 for the purpose of accumulating and administering state designated court revenues.

From time to time, the Washington State Legislature earmarks certain superior court and/or courts of limited jurisdiction revenues for specifically designated purposes. These revenues originate from multiple sources, none of which are significant enough to warrant creation of an individual fund. Fund 138 was created for the accumulation and administration of these existing and future designated revenues. The fiscal year 2013 budget includes \$10,845 in staff support for the clerk's office.

Fund 197 was established by Pacific County Resolution No. 95-008 in accordance with RCW 36.33.020 to provide a reserve of funds for special and/or emergency purposes. Resolution No. 95-008 specifies that these funds, following proper notice and a public hearing, may be used for the following purposes:

- Stabilize general purpose timber and timberland related revenues to improve the county's fiscal planning and budgeting.
- Pay for any county emergency which could not reasonably have been foreseen at the time of making the budget and which requires the expenditure of monies not provided for in the budget.
- Purchase of any supplies, material, or equipment.
- Construct, alter, or repair any public building or work, including property acquisition.
- Make any public improvement.
- Pay the principal and/or interest on any county bonded indebtedness.
- Provide both cash flow advances and local matching funds for projects and activities supported in part by state and/or federal grants.

Fund 522 provides for the accounting of payroll charges such as Labor and Industries claims, unemployment claims, Department of Retirement service charges, etc. County departments are charged a percentage of salary to cover fringe benefits. Expenditures are limited to the above mentioned fringe benefit costs associated with producing the county's payroll function.

In 2009, this fund experienced a change in accounting procedures that reflect the true cost of benefits to the county. This change increases the transparency of the fund and accounting procedures by showing the actual Interfund revenue collected. This is only an accounting change; it does not increase spending authority.
