PUBLIC WORKS BOARD

PART II: INTRODUCTION

This loan agreement is made and entered into by and between the PUBLIC WORKS BOARD, or its successor, (referred to as the "BOARD"), a department of the state of Washington, and PACIFIC COUNTY FLOOD CONTROL ZONE DISTRICT NO 1 (referred to as the "LOCAL GOVERNMENT").

Acting under the authority of Chapter 43.155 RCW, the BOARD has selected the LOCAL GOVERNMENT to receive a Public Works Trust Fund loan for an approved public works project.

PART III: PURPOSE

The BOARD and the LOCAL GOVERNMENT have entered into this agreement to undertake a local public works project that furthers the goals and objectives of the Washington State Public Works Trust Fund Program. The project will be undertaken by the LOCAL GOVERNMENT and will include the activities described in ATTACHMENT I: SCOPE OF WORK. The project must be undertaken in accordance with PART IV: TERMS AND CONDITIONS, and all applicable state and local laws and ordinances, which by this reference are incorporated into this agreement as though set forth fully herein.

PART IV: TERMS AND CONDITIONS

The parties to this agreement agree as follows:

4.01 Rate and Term of Loan

The BOARD, using funds appropriated from the Public Works Assistance Account, shall loan the LOCAL GOVERNMENT a sum not to exceed \$615,000.00. The interest rate shall be one percent (1%) per annum on the outstanding principal balance. The term of the loan shall not exceed 20 years, with the final payment due July 1, 2021.

4.02 Local Project Share

The LOCAL GOVERNMENT pledges an amount of locally-generated revenue not less than ten percent (10%) of the total eligible portion of the project cost not funded by federal or state grants as identified in ATTACHMENT I: SCOPE OF WORK, to be verified at the time of project close-out. Any change in the percentage of locally-generated funds may require an adjustment in the loan amount or interest rate charged, or both. In such event, the LOCAL GOVERNMENT agrees to execute an amendment to this agreement adjusting the loan amount or interest rate, as appropriate.

Local project share must consist of expenditures eligible under WAC 399-30-030(3) and be related only to project activities described in ATTACHMENT I: SCOPE OF WORK. These expenditures may be made up to twelve (12) months prior to the execution of the loan agreement and verified at the time of project close-out.

PUBLIC WORKS TRUST FUND MONIES MAY NOT BE USED TO REIMBURSE THE LOCAL GOVERNMENT FOR ANY COSTS INCURRED PRIOR TO EXECUTION OF THIS LOAN AGREEMENT.

4.03 Disbursement of Loan Proceeds

Warrants shall be issued to the LOCAL GOVERNMENT for payment of allowable expenses incurred by the LOCAL GOVERNMENT while undertaking and administering approved project activities in accordance with ATTACHMENT I: SCOPE OF WORK. In no event shall the total Public Works Trust Fund loan exceed ninety percent (90%) of the eligible actual project costs. The disbursement of loan proceeds shall be initiated by the LOCAL GOVERNMENT on a Washington State Invoice Voucher form. The loan funds will be disbursed to the LOCAL GOVERNMENT as follows:

Within thirty (30) days of the formal execution of this agreement, a sum not to exceed fifteen percent (15%) of the approved Public Works Trust Fund loan shall be disbursed to the LOCAL GOVERNMENT.

Within thirty (30) days of the execution of a Notice to Proceed which follows the formal award of a construction contract, a sum not to exceed eighty percent (80%) of the approved Public Works Trust Fund loan shall be disbursed to the LOCAL GOVERNMENT, except in the case of engineering services contracts. If the approved project described in ATTACHMENT I: SCOPE OF WORK is solely for the completion of engineering studies, a sum not to exceed eighty percent (80%) of the approved Public Works Trust Fund loan shall be disbursed to the LOCAL GOVERNMENT within thirty (30) days of the execution of a Notice to Proceed following the formal award of a contract for engineering services.

At the time of project completion, a Close-out Report, (refer to Section 4.19 for Close-out Report), shall be submitted to the BOARD by the LOCAL GOVERNMENT certifying total actual project costs.

The final Public Works Trust Fund loan disbursement shall not bring the total loan in excess of ninety percent (90%) of the eligible project costs or the total of \$615,000.00 whichever is less. The Close-out Report shall serve as a contract AMENDMENT for determining the final loan amount, interest rate, and local share.

In the event that the final costs identified in the Close-out Report indicate that the LOCAL GOVERNMENT has received Public Works Trust Fund monies in excess of ninety percent (90%) of eligible costs, all funds in excess of ninety percent (90%) shall be repaid to the Department of Community, Trade and Economic Development, or its successor, within thirty (30) days of submission of the Close-out Report.

4.04 Interest Earned on Public Works Trust Fund Monies

All interest earned on Public Works Trust Fund Monies held by the LOCAL GOVERNMENT shall accrue to the benefit of the LOCAL GOVERNMENT and be applied to the eligible costs of the approved project. Benefits shall accrue in one of two ways:

1. Reduce the amount of the Public Works Trust Fund loan.
2. Pay any part of eligible project costs that are in excess of ATTACHMENT I: SCOPE OF WORK estimates, if there is an overrun of project costs.

The LOCAL GOVERNMENT shall establish procedures to ensure that all monies received from the Public Works Trust Fund loan can be readily identified and accounted for at any time during the life of this loan

agreement. Such procedures shall consist of the establishment of a separate fund, account, sub-account or any other method meeting generally accepted accounting principles.

4.05 Time of Performance

The LOCAL GOVERNMENT shall begin the activities identified within ATTACHMENT I: SCOPE OF WORK no later than three months after loan agreement execution, and reach project completion no later than thirty-six (36) months after the date of agreement execution.

Failure to perform within the time frame described in the preceding paragraph may constitute default of this agreement and require the immediate repayment of any loan funds disbursed. In the event of extenuating circumstances, the LOCAL GOVERNMENT may request, in writing, that the BOARD extend the deadline for project completion. The BOARD may, by a two-thirds vote, extend the deadline.

The term of this agreement shall be for the entire term of the loan, irrespective of actual project completion, unless terminated sooner as provided herein.

4.06 Repayment

The first loan repayment under this agreement is due July 1, 2002, and subsequent installments are due on July 1 of each year during the term of the loan. The first repayment under this agreement shall consist of interest only at the rate of one percent (1%) per annum, calculated on a 360-day year of twelve 30-day months, applied to funds received. Interest will begin to accrue from the date each warrant is issued to the LOCAL GOVERNMENT. Subsequent repayments shall consist of the principal balance due divided by the loan term remaining plus interest on the unpaid balance of the loan. The final payment shall be an amount sufficient to bring the loan balance to zero.

The LOCAL GOVERNMENT has the right to repay the unpaid balance of the loan in full at any time, and the right to repay at a faster rate than is provided in this agreement, provided that any such payment must equal or exceed the principal amount normally due on an annual basis.

The LOCAL GOVERNMENT will repay the loan in accordance with the preceding conditions through the use of a check, money order, or equivalent means made payable to the Department of Community, Trade and Economic Development, or its successor, and sent to:

Department of Community, Trade and Economic Development
Administrative Services Division/Fiscal Unit
906 Columbia Street S.W.
P.O. Box 48300
Olympia, Washington 98504-8300

4.07 Repayment Account

The LOCAL GOVERNMENT shall repay the loan solely from utility revenues, general obligation revenues, or a combination thereof. The name of the fund, account, or sub-account shall be Pacific County Flood Control Zone District #1

4.08 Default in Repayment

Loan repayments shall be made on the loan in accordance with Section 4.06 of this agreement. A payment not received within thirty (30) days of the due date shall be declared delinquent. Delinquent payments shall be assessed a daily penalty beginning on the thirty-first (31) day past the due date. The penalty will be assessed on the entire payment amount. The penalty will be twelve percent (12%) per annum calculated on a 360-day year.

Upon default in the payment of any annual installment, the BOARD may declare the entire remaining balance of the loan, together with interest accrued, immediately due and payable. Failure to exercise its option with respect to any such repayment in default shall not constitute a waiver by the BOARD to exercise such option for any succeeding installment payment which may then be in default. The LOCAL GOVERNMENT shall pay the costs and reasonable legal fees incurred by the BOARD in any action undertaken to enforce its rights under this section.

The same penalty terms shall apply to delinquent repayment of funds paid in excess of eligible costs as provided for in Section 4.03.

4.09 Loan Security

The LOCAL GOVERNMENT must select one of the following options for securing repayment of the loan. **Please initial the appropriate option.**

1. **General Obligation:** This loan is a general obligation of the LOCAL GOVERNMENT.

OR

2. **Revenue Obligation:** This option may be used only if the entire project is a domestic water, sanitary sewer, storm sewer or solid waste utility project. LOCAL GOVERNMENTS performing a storm sewer project that have not created a storm sewer utility or a combined sanitary sewer/storm sewer utility may not use this option. Projects providing for a mixture of bridge, road, domestic water, sanitary sewer, and storm sewer activities may not use this option.

This loan is a revenue obligation of the LOCAL GOVERNMENT payable solely from the net revenue of the utility system indicated below. Payments shall be made from the net revenue of the utility after the payment of the principal and interest on any revenue bonds, notes, warrants or other obligations of the utility having a lien on that net revenue. As used here, "net revenue" means gross revenue minus expenses of maintenance and operations. The BOARD grants the LOCAL GOVERNMENT the right to issue future bonds and notes that constitute a lien and charge on net revenue superior to the lien and charge of this loan agreement.

Please choose and initial one of the following utility systems:

 Water
 Sanitary Sewer (Wastewater)
 X Stormwater
 Water/Sanitary Sewer
 Stormwater/Sanitary Sewer
 Solid Waste

OR

3. **Local Improvement District:** Pursuant to RCW 35.51.050, the LOCAL GOVERNMENT pledges to repay this loan from assessments collected from a Local Improvement District, Local Utility District or other similar special assessment district in which the improvements financed by this loan are located. The name of the special assessment district is _____.

Nothing in this section shall absolve the LOCAL GOVERNMENT of its obligation to make loan repayments when due, and to adjust rates, fees, or surcharges, if necessary, to meet its obligations under this agreement.

4.10 Recordkeeping and Access to Records

The BOARD, the BOARD's agents, and duly authorized officials of the State shall have full access and the right to examine, copy, excerpt, or transcribe any pertinent documents, papers, records, and books of the LOCAL GOVERNMENT and of persons, firms, or organizations with which the LOCAL GOVERNMENT may contract, involving transactions related to this project and this agreement.

The LOCAL GOVERNMENT agrees to retain all records pertaining to this project and this agreement for a period of six years from the date of project close-out.

4.11 Reports

The LOCAL GOVERNMENT, at such times and on such forms as the BOARD may require, shall furnish the BOARD with such periodic reports as it may request pertaining to the activities undertaken pursuant to this agreement including, but not limited to, quarterly progress reports, the CloseOut Report, and any other matters covered by this agreement. Failure to file periodic reports as requested may result in termination of this agreement as per Section 4.14.

4.12 Indemnification

The LOCAL GOVERNMENT will defend, protect, indemnify, save, and hold harmless the BOARD, and the state of Washington from and against any and all claims, costs, damages, expenses, or liability for any or all injuries to persons or tangible property, arising from the acts or omissions of the LOCAL GOVERNMENT or any of its contractors or subcontractors, or any employees or agents in the performance of this agreement, however caused. In the case of negligence of both the BOARD and the LOCAL GOVERNMENT, any damages allowed shall be levied in proportion to the percentage of negligence attributable to each party.

4.13 Amendments, Modifications, and Waivers

Except for an increase in the amount of the loan governed by this agreement, the LOCAL GOVERNMENT may request an amendment to this agreement for the purpose of modifying the SCOPE OF WORK or for extending the time of performance as provided for in Section 4.05. No modification or amendment resulting in an extension of time shall take effect until a request in writing has been received and approved by the BOARD in accordance with Section 4.05. No amendment or modification shall take effect until approved in writing by both the BOARD and the LOCAL GOVERNMENT and attached hereto. No conditions or provisions of this agreement may be waived unless approved by the BOARD in writing.

4.14 Termination for Cause

If the LOCAL GOVERNMENT fails to comply with the terms of this agreement, or fails to use the loan proceeds only for those activities identified in ATTACHMENT I: SCOPE OF WORK, the BOARD may terminate the agreement in whole or in part at any time. The BOARD shall promptly notify the LOCAL GOVERNMENT in writing of its determination to terminate, the reason for such termination, and the effective date of the termination. Upon termination of the loan agreement, the BOARD may declare the entire remaining balance of the loan, together with any interest accrued, immediately due and payable.

4.15 Termination For Convenience

The BOARD may terminate this agreement in the event that federal or state funds are no longer available to the BOARD, or are not allocated for the purpose of meeting the BOARD'S obligations under this agreement. Termination will be effective when the BOARD sends written notice of termination to the LOCAL GOVERNMENT.

4.16 Governing Law and Venue

This agreement shall be construed and enforced in accordance with, and the validity and performance hereof shall be governed by, the laws of the state of Washington. Venue of any suit between the parties arising out of this agreement shall be the Superior Court of Thurston County, Washington. The prevailing party is entitled to recover costs in accordance with Washington State Law (Chapter 4.84 RCW).

4.17 Severability

If any provision under this agreement or its application to any person or circumstances is held invalid by any court of rightful jurisdiction, this invalidity does not affect other provisions of the agreement which can be given effect without the invalid provision.

4.18 Project Completion

The BOARD will require and notify the LOCAL GOVERNMENT to initiate a Close-out Report when the activities identified in ATTACHMENT I: SCOPE OF WORK are completed. In the report, the LOCAL GOVERNMENT will provide the following information to the BOARD:

1. A certified statement of the actual dollar amounts spent, from all fund sources, in completing the project as described.
2. A certified statement that the project, as described in the Loan Agreement's Scope of Work, is complete and has been designed/constructed to required standards.
3. Certification that all costs associated with the project have been incurred. Costs are incurred when goods and services are received and/or contract work is performed.

4.19 Project Close-Out

In accordance with Section 4.03 of this agreement, the LOCAL GOVERNMENT will submit, together with the Close-out Report, a request for a sum not to exceed the final five percent (5%) of the loan amount. This disbursement shall not occur prior to the completion of all project activities. The LOCAL GOVERNMENT shall be responsible to ensure that their contractor(s) are in compliance with the Department of Revenue and the Department of Labor & Industries requirements.

4.20 Audit

Audits of the LOCAL GOVERNMENT'S project activities may be conducted by the Municipal Division of the State Auditor's Office in accordance with state law and any guidelines the Department of Community, Trade and Economic Development, or its successor, may prescribe. Payment for the audit shall be made by the LOCAL GOVERNMENT.

4.21 Project Signs

If the LOCAL GOVERNMENT displays, during the period covered by this agreement, signs or markers identifying those agencies participating financially in the approved project, the sign or marker must identify the Washington State Public Works Trust Fund as a participant in the project.

4.22 Utilization of Minority and Women's Business Enterprises (MWBE)

In accordance with legislative findings and policies set forth in Chapter 39.19 RCW, the BOARD encourages participation by Minority and Women's Business Enterprise firms certified by OMWBE. Voluntary goals for participation are:

Construction/Public Works	10% MBE	6% WBE
Architect/Engineering	10% MBE	6% WBE
Purchased Goods	8% MBE	4% WBE
Purchased Services	10% MBE	4% WBE
Professional Services	10% MBE	4% WBE

4.23 Nondiscrimination Provision

During the performance of this contract, the LOCAL GOVERNMENT shall comply with all federal and state nondiscrimination laws, including, but not limited to Chapter 49.60 RCW, Washington's Law Against Discrimination, and 42 U.S.C. 12101 et seq, the Americans with Disabilities Act (ADA).

In the event of the LOCAL GOVERNMENT'S noncompliance or refusal to comply with any applicable nondiscrimination law, regulation, or policy, this contract may be rescinded, canceled, or terminated in whole or in part, and the LOCAL GOVERNMENT may be declared ineligible for further contracts with the BOARD. The LOCAL GOVERNMENT shall, however, be given a reasonable time in which to cure this noncompliance.

4.24 Historical and Cultural Artifacts

The LOCAL GOVERNMENT agrees that if historical or cultural artifacts are discovered during construction, the LOCAL GOVERNMENT shall immediately stop construction and notify the local historical preservation officer and the state's historical preservation officer at the Washington State Office of Archeology and Historic Preservation.

The LOCAL GOVERNMENT shall require this provision to be contained in all contracts for work or services related to ATTACHMENT ONE: SCOPE OF WORK.

PART V: SPECIAL ASSURANCES

The LOCAL GOVERNMENT assures compliance with all applicable state and local laws, requirements, and ordinances as they pertain to the design, implementation, and administration of the approved project. Of particular importance are the following:

5.01 RCW 43.155.060

The LOCAL GOVERNMENT shall comply with the provisions of RCW 43.155.060 regarding competitive bidding requirements for projects assisted in whole or in part with money from the Public Works Trust Fund program.

5.02 WAC 399-30-030(3)

ATTACHMENT II: ATTORNEY'S CERTIFICATION

I, Michael D. Smith, hereby certify:

I am an attorney at law admitted to practice in the State of Washington and the duly appointed attorney of the Pacific County

(the LOCAL GOVERNMENT); and

I have also examined any and all documents and records which are pertinent to the loan agreement, including the application requesting this financial assistance.

Based on the foregoing, it is my opinion that:

1. The LOCAL GOVERNMENT is a public body, properly constituted and operating under the laws of the State of Washington, empowered to receive and expend federal, state and local funds, to contract with the State of Washington, and to receive and expend the funds involved to accomplish the objectives set forth in their application.
2. The LOCAL GOVERNMENT is empowered to accept the Public Works Trust Fund financial assistance and to provide for repayment of the loan as set forth in the loan agreement.
3. There is currently no litigation in existence seeking to enjoin the commencement or completion of the above-described public facilities project or to enjoin the LOCAL GOVERNMENT from repaying the Public works Trust Fund loan extended by the DEPARTMENT with respect to such project. The LOCAL GOVERNMENT is not a party to litigation which will materially affect its ability to repay such loan on the terms contained in the loan agreement.
4. Assumption of this obligation would not exceed statutory and administrative rule debt limitations applicable to the LOCAL GOVERNMENT.

ARTICLE 10: DISCLAIMER OF WARRANTIES

Except for the limited device and installation warranty set forth in Article 8 (Limited Warranty), Networkfleet and the Service Partners make no warranty or guarantee of any kind with respect to the devices and the Networkfleet services. To the fullest extent permissible by applicable law, Networkfleet and the Service Partners disclaim all representation and warranties of any kind, express or implied, including, but not limited to: implied warranties of noninfringement, merchantability, and fitness for a particular purpose; and any implied warranty arising from course of performance, course of dealing or usage of trade. Customer is responsible for providing updated payment authorizations if payment information changes and failure to do so may result in a suspension or termination of Networkfleet Services. (c) All other fees are due and payable as set forth in the Accepted Order Form. (d) Fees do not include applicable taxes and surcharges. Networkfleet may charge, and Customer agrees to be responsible for, and pay at the same time as Fees are paid, applicable state and local sales taxes and other government mandated fees in connection with the sale of the Devices and Networkfleet Services, unless Customer has provided satisfactory certificates or other evidence of exemption. (e) In addition to Networkfleet's other rights and remedies, Networkfleet shall have the right to charge interest on all delinquent Fees from the due date at the lesser of one and one-half percent (1.5%) per month or the maximum amount permitted by law. Networkfleet may accept any payment in any amount without prejudice to its right to recover the balance of the amount due.

ARTICLE 12: TERM, SUSPENSION AND TERMINATION

(a) The term is identified on the Accepted Order Form. If the term identified on the Accepted Order Form expires prior to the expiration or termination of Networkfleet's NJPA Contract, then upon expiration of the term identified on the Accepted Order Form, Networkfleet shall continue to provide the Service on a month-to-month basis until either party elects to terminate, or the Agreement is otherwise terminated, as set forth herein. However, in no event shall the term of this Agreement exceed the expiration or termination of Networkfleet's NJPA Contract. If the term identified on the Accepted Order Form expires after the expiration or termination of Networkfleet's NJPA Contract, this Agreement will expire at the end of the term identified on the Accepted Order Form. 040114

notice. If notice of breach is sent by Networkfleet, during the notice or cure period Networkfleet may suspend Customer's access to and use of the Customer Website Pages and/or Networkfleet Services with respect to all Customer Devices, without incurring any liability whatsoever, until the breach is cured, and Customer shall remain liable for all applicable Fees while access and use are suspended. (c) Networkfleet may terminate its obligations pursuant to an Accepted Order Form immediately and without limiting its other rights or remedies available at law or in equity if Customer breaches its obligations under an Accepted Order Form or these Terms and Conditions and was sent a prior notice of breach during the preceding twelve (12) months, such termination to be effective on the date specified in the notice or the date of the notice, if no effective date is specified. (d) In the event that Networkfleet terminates its obligations under an Accepted Order Form pursuant to (b)(i) above or (c) above, or Customer terminates its obligations under an Accepted Order Form pursuant to (b)(ii) above with respect to a bundled Device prior to the term identified on the Accepted Order Form with the start of the term being equal to the Bundled Billing Start Date as defined in Article 11(iv) (Fees & Payments), with respect to such Device, Customer shall pay to Networkfleet as liquidated damages, and not a penalty, a fee equal to the Service Fees that Customer would have paid with respect to such Device absent such termination for the remainder of the term identified in an Accepted Order Form, or seventy-five dollars (\$75.00), whichever is greater. (e) If the obligations of either party pursuant to an Accepted Order Form are terminated for any reason in accordance with this Article 12, the Networkfleet Services will terminate effective as of the date of the termination; Customer will pay to Networkfleet any Fees for Devices received or Networkfleet Services provided prior to the effective date of the termination; and the parties' respective rights and obligations under Article 10 (with respect to payment obligations), 11, 13, 14, 15, 16, 18, 19, 20 and 21 of these Terms and Conditions will survive.

ARTICLE 13: INDEMNIFICATION

To the extent permitted by State law, Customer will defend, indemnify and hold Networkfleet and the Service Partners, and their respective affiliates, officers, employees and agents, harmless from and against any and all third party claims and all associated damages, suits, proceedings, liens, penalties, liabilities, awards or expenses (including reasonable attorneys' fees) resulting from (i) Customer's breach of its obligations under an Accepted Order Form or these Terms and Conditions; (ii) a claim that Customer or its personnel violated applicable state or federal laws or regulations in its possession, distribution, installation or use of the Devices, the Networkfleet Services or the Networkfleet Website; or (iii) a claim for libel, slander or any property damage, personal injury or death arising in any way from, directly or indirectly, Customer's use, failure to use, or inability to use the Devices, the Networkfleet Services or the Networkfleet Website except to the extent such claim was caused by Networkfleet's gross negligence or willful misconduct. Customer must consult with and get prior written consent from Networkfleet prior to settling any such claim which would bind Networkfleet to pay unreimbursed monies, admit guilt or wrongdoing on the part of Networkfleet, or which would otherwise materially prejudice Networkfleet. Networkfleet shall also have the right to participate in the investigation, defense and settlement negotiations of any such claim with separate counsel chosen and paid for Networkfleet. If, in Networkfleet's determination, Customer fails to defend in a reasonably timely manner with competent counsel reasonably satisfactory to Networkfleet, then Networkfleet shall have the right to defend or settle such claim and Customer shall reimburse Networkfleet for all associated costs, expense, awards, and/or amount of settlements.

ARTICLE 14: LIMITATION OF LIABILITY

(a) Neither Party, nor the Service Partners will be liable for consequential, special, indirect or incidental damages, including lost profits or lost data, even if that Party is informed that those damages may occur. Networkfleet's and the Service Partners' cumulative liability under any legal theory shall not exceed the amount paid to Networkfleet under this Agreement during the six (6) months prior to the date the liability accrues for a claim. The foregoing limitations shall not apply to liability of either Party arising under Article 13 (Indemnification), Article 15 (Confidentiality) and/or Article 16 (Proprietary Rights). Some states do not allow the exclusion or limitation of incidental or consequential damages, so those particular limitations may not apply to you. (b) Without limiting the foregoing, Networkfleet and the Service Partners are not responsible for liabilities of any kind resulting from delays in delivery, installation or providing Networkfleet or other services, regardless of the cause of the delay. Customer understands and agrees that Networkfleet and the Service Partners cannot guarantee the security of wireless transmissions, and they shall not be liable for any damages of any kind resulting from an alleged or actual lack of security relating to Customer's use of the Networkfleet services. (c) Customer understands and agrees that (i) the device is a wireless device and that the Networkfleet services work by using wireless communications networks to connect the devices with Networkfleet's data center and by using GPS (Global Positioning System) to determine a vehicle's location; (ii) the Networkfleet services will not operate unless a vehicle is in an area that has adequate wireless communications coverage and, even if a vehicle is in such area, the Networkfleet service is subject to wireless service network and transmission limitations and may be adversely affected by terrain, signal strength, weather and atmospheric conditions, or other thing that Networkfleet and the Service Partners do not control; and (iii) information about a vehicle's location will not be available unless the device in the vehicle is able to receive GPS signals.

ARTICLE 15: CONFIDENTIALITY

Each party as a Receiving Party will protect Confidential Information of the Disclosing Party against any unauthorized use or disclosure to the same extent that the Receiving Party protects its own Confidential Information of a similar nature against

unauthorized use or disclosure, but in no event will the Receiving Party use less than a reasonable standard of care to protect such Confidential Information. The Receiving Party will not use or disclose any Confidential Information of the Disclosing Party for any purpose other than as: (a) reasonably necessary to perform its obligations under this Agreement; (b) expressly permitted by this Agreement; or (c) required by applicable law (provided that the Receiving Party shall notify the Disclosing Party of such required disclosure promptly and cooperate with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit such required disclosure; or (d) consented to in writing by the Disclosing Party. The parties further agree that any obligations to protect Confidential Information set forth herein shall survive termination of this Agreement for a period of three (3) years from the termination of this Agreement, except that as to any Confidential Information deemed a "trade secret" under applicable law, such obligations shall continue for so long as such information is deemed a trade secret. The provisions of this Article 15 are necessary for the protection of the business and goodwill of the Disclosing Party and are considered by the Receiving Party to be reasonable for such purpose. The Receiving Party agrees that any breach of these provisions may cause the Disclosing Party substantial and irreparable damages and, therefore, in the event of any such breach, in addition to other remedies which may be available, the Disclosing Party shall have the right to seek specific performance and other injunctive and equitable relief.

ARTICLE 16: PROPRIETARY RIGHTS

Customer acknowledges and agrees that the Devices, the Networkfleet Service and the Networkfleet Website may include patent, copyright, trademark, service mark, trade secrets, or other intellectual property rights (collectively "Proprietary Rights") of Networkfleet, its affiliates or the Service Partners (including, with respect to the Networkfleet Website, materials that may be proprietary to Tele Atlas or its suppliers), and that Networkfleet, its affiliates and/or the Service Partners retain title to and ownership of those Proprietary Rights and any and all improvements, modifications, fixes or enhancements made by or for Networkfleet, its affiliates and/or the Service Partners to the Devices, the Networkfleet Service or the Networkfleet Website, regardless of whether such items or services are created or suggested by Customer. Customer will not copy, modify, reverse-engineer, disassemble or decompile any software or firmware included in any Device or the Networkfleet Website or otherwise provided to Customer by or on behalf of Networkfleet, and will not disclose such software or provide access to the Devices, such software or any Networkfleet Services to any third party for such a purpose. If Customer uses such mapping option, Customer agrees to comply with the terms of use contained in Digital Globe's End User License Agreement displayed at <http://www.globexplorer.com/legal-notices.shtml>.

ARTICLE 17: MODIFICATIONS; WEBSITE MAINTENANCE

Networkfleet may alter or modify all or part of the Devices, the Networkfleet Services or the Networkfleet Website from time to time; provided that Networkfleet shall not intend for such alterations or modifications to materially adversely affect Customer's use of the Networkfleet Services or Networkfleet Website. Subject to the foregoing, such alterations and modifications, or both, may include, without limitation, the addition or withdrawal of features, information, products, services, software or changes in instructions. Networkfleet reserves the right to perform scheduled maintenance for the Networkfleet Services and Networkfleet Website from time to time. This may include application and database maintenance as well as general website maintenance and may or may not involve Networkfleet Website and Networkfleet Services unavailability. Customer understands and agrees that the Networkfleet Website contains functionality permitting changes to Customer's account, including changes which may affect the monthly charges for the Service or other fees payable to Networkfleet. Customer shall be responsible for all charges resulting from actions initiated through its access to the Networkfleet Website.

ARTICLE 18: DATA

Customer represents and warrants that it has all rights and authority with respect to the data Networkfleet and the Service Partners acquire and transmit through Customer's use of the Devices, the Networkfleet Services and the Networkfleet Website ("**Business Data**") necessary to grant the rights and approvals set forth in this Agreement and that Customer approves and grants to Networkfleet, its affiliates and the Service Partners the nonexclusive, perpetual license and right to collect, access and use Business Data from Customer and its Vehicles and Devices, and to access, copy and use the Business Data in the course of performing the Networkfleet Services and to analyze, measure and optimize the performance of the Devices and the Networkfleet Services and to develop new offerings for Customer and others and for other purposes of Networkfleet and its affiliates, including the development of data products for sale, licensing and distribution to third parties; provided, however, that except as may be required under applicable law or court order, Networkfleet will not disclose or distribute Business Data to a third party in a form that permits identification of Customer.

ARTICLE 19: SERVICE PARTNERS

Nothing set forth in an Accepted Order Form or in these Terms and Conditions gives Customer any specific rights with respect to, nor does it create a contract between Customer and, the Service Partners. The Service Partners have no legal, equitable or other liability of any kind to Customer, and Customer hereby waives any and all claims or demands therefor. Attached for the Board's consideration is renewed lease agreement with Meredith Corporation for facility use at Megler site. This agreement is for five years and is renewable at the end of five years. The new rate is \$7133 annually which represents a ten percent increase from the previous agreement.	
RECOMMENDED MOTION	

**PACIFIC COUNTY
COMMUNICATIONS FACILITY USE AGREEMENT**

WHEREAS, Pacific County owns, operates, and maintains certain communications facilities throughout the COUNTY for the usage by municipal, local, and county government, and;

WHEREAS, such facilities are capable of supporting certain other communications systems without degrading or encumbering the COUNTY's systems, the COUNTY hereby enters into this Site Use Agreement with **MEREDITH CORP**, (hereinafter called **MEREDITH**), this 1st day of January, 2015.

WITNESSETH: The parties hereto for consideration hereinafter mentioned, covenant and agree as follows:

1. **TERM**: Unless Section Two (2) applies, the term of this Use Agreement shall run for a period of five (5) years from date of this agreement and is renewable, upon agreement by both parties at the end of this term.
2. **TERMINATION**: The Use Agreement may be cancelled by either party if the other party fails to timely cure an Event of Default under Section 3. In addition, either party may unilaterally terminate this agreement by giving the other party sixty (60) days prior notice of termination.
3. **EVENTS OF DEFAULT, NOTICE AND OPPORTUNITY TO CURE**: If either party fails to comply with a covenant made by such party in this Use Agreement, or fails to abide by a condition binding on such party contained in this Use Agreement, or if **MEREDITH** fails to make a payment hereunder when due, (each individually, an "Event of Default"), then the other party shall deliver notice of such Event of Default to the defaulting party, who shall be permitted to cure the same within ten (10) days of delivery of such notice. If such Event of Default cannot reasonably be cured within such ten day period, then the defaulting party shall be deemed to have cured the same if it takes all reasonable steps to do so within such ten day period and thereafter diligently proceeds to effect such cure; provided, that, such cure is actually and fully effected within thirty (30) days of delivery of the notice delivered pursuant hereto.

4. **PAYMENT:** **MEREDITH** shall pay the COUNTY annually the amount as determined by Exhibit A of this Use Agreement. Such annual amount shall be prepaid by the date of January 20th for the term January 1st to December 31st. Partial calendar years shall be prorated on a full month basis.
5. **RATES:** At the end of the first five years of this Use Agreement, the COUNTY shall review the rates and make adjustments as appropriate. The adjusted rates shall consider the consumer price index, the DNR rates for comparable sites, and rates charged by the private sector, however, in no case shall the adjustment exceed twenty-five (25%) percent.
6. **INDEMNIFICATION:** In accepting this Agreement, **MEREDITH**, including its successors and assigns, does hereby covenant and agree to indemnify and protect and save harmless the COUNTY and its officers and employees from all claims, actions, or damages of every kind and description which may accrue to or be suffered by any person, partnership, corporation, or other entity of any kind that arise in whole or in part from intentional tort(s), or negligent act(s) or omission(s), or strict liability of **MEREDITH** or its employees, agents, successors, or assigns. If the above sentence applies and any suit or action is brought against the COUNTY, its officers, its employees, or any combination thereof, **MEREDITH**, including its successors or assigns, shall defend the suit or action at his or her or their sole cost and expense and shall fully satisfy any judgment that is rendered against the COUNTY, its officers, its employees, or any combination thereof.
7. **INSURANCE:** **MEREDITH** shall maintain and provide proof of occurrence based general business professional liability insurance in the amount of \$1,000,000 or greater per occurrence and \$2,000,000 aggregate for the term of this CONTRACT. **MEREDITH** must name the COUNTY as an additional insured. **MEREDITH** shall provide the COUNTY a copy of the additional insured endorsements prior to the start of this contract. **MEREDITH** agrees that its liability insurance shall be primary and non-contributory to the COUNTY's and that

MEREDITH's liability insurance policy shall so state. **MEREDITH** shall be responsible at its own expense to provide any and all employment insurance coverage, including but not limited to, unemployment insurance, worker's compensation insurance, etc. for any and all of its employees as might apply.

8. **PREMISES:** The COUNTY shall provide **MEREDITH** tower and shelter space, environmental control, HVAC and electrical service equipment, in addition to fenced security and access to the facility. **MEREDITH** shall establish an account with Pacific County Public Utility District #2 for delivery and metering of electric energy at the Megler Site. Facilities covered by this Use Agreement, and reserved for **MEREDITH's** exclusive use, are located on the following described land: Pacific County Property located at 46° 17' 10" North Latitude, 123° 53' 50" West Longitude (Megler Site).
9. **EQUIPMENT:** **MEREDITH** shall install and maintain equipment using good communication practices and in accordance with all applicable codes. **MEREDITH** shall also adhere to the Pacific County Facility Use Standards described in Exhibit B and made a part of this Agreement.
10. **INTERFERENCE:** **MEREDITH** shall provide all necessary equipment to eliminate any interference to existing site users from the installation of its communications system. Such equipment shall include, but not be limited to, filters, cavities, isolators, combiners, amplifiers, and splitters. Should subsequent site users find it necessary to install interference mitigating devices on **MEREDITH's** equipment, **MEREDITH** shall cooperate; however, **MEREDITH** shall not be required to bear the financial cost. If equipment installed at the site interferes with equipment previously installed at the site by another user, then the equipment first installed shall have priority over the equipment subsequently installed. If technical conflicts between items of equipment cannot be resolved, then the equipment first installed shall remain operational and the other equipment causing the interference shall be modified or removed. The COUNTY shall retain final authority regarding what equipment can be installed and what interference

mitigating methods must be employed. The COUNTY has approved the equipment described in Exhibit A attached hereto. The COUNTY retains the right to terminate transmissions by **MEREDITH** should its equipment cause interference. **MEREDITH** agrees to correct any such malfunctions or interference causing problems prior to resuming transmissions as described above.

11. **SECURITY AND MAINTENANCE**: The COUNTY shall provide reasonable security for the premises throughout the term of the Use Agreement at no additional charge to **MEREDITH**. The COUNTY, at its expense, shall maintain the tower, building, security fences, and all related facilities in good order and condition and in accordance with all applicable laws and regulations throughout the term of the Use Agreement. **MEREDITH** shall be responsible for maintenance of its facilities and equipment. In the event that the COUNTY fails to maintain the tower with respect to any FCC/FAA regulations, **MEREDITH** shall notify the COUNTY of such default and request cure within ten (10) days.
12. **IMPROVEMENTS**: All construction, improvements and/or alterations of the facility at any time whatsoever shall be subject to COUNTY's prior approval, which shall not be unreasonably withheld.
13. **CASUALTIES**: If a tower or building is damaged or destroyed that contains equipment of **MEREDITH** and the COUNTY fails to commence rebuilding within thirty (30) days of the occurrence of the damage or thereafter fails to prosecute completion of such repairs in a diligent manner, then **MEREDITH** shall be entitled to terminate the Use Agreement according to Paragraph 2.
14. **TAXES**: **MEREDITH** agrees to pay the COUNTY all applicable leasehold taxes pursuant to the provisions of Chapter 82.29A RCW, and any State and Local regulations issued thereto.
15. **OWNERSHIP OF EQUIPMENT**: All transmitting and receiving equipment, shelters, and support facilities listed under Exhibit A, installed at the site by **MEREDITH** shall be and remain the property of **MEREDITH** and may be

removed or replaced by **MEREDITH** at any time from time to time, provided that **MEREDITH** repairs any damage caused in conjunction with such removal and replacement.

16. **ASSIGNMENTS AND SUBLETTING:** It is agreed that this Use Agreement may be assigned by either party with the prior approval of the other party, which consent shall not be unreasonably withheld. The assignee or transferee shall have the right to assume this Use Agreement with all its terms and conditions for the remaining lease term.
17. **ATTORNEY'S FEES:** Should any litigation be commenced by a party concerning this Use Agreement, the party prevailing in any such action or proceeding or appeal thereon shall be entitled to recover its court costs and reasonable attorneys' fees from the other party.
18. **AUTHORITY:** Each party warrants to the other that it has authority to enter into and perform this Use Agreement and it has taken all action required to authorize execution of this Use Agreement.
19. **ALL WRITINGS CONTAINED HEREIN:** This agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this agreement shall be deemed to exist or to bind the parties hereto.

Legal Description: Accretions abutting Lot 2, Block 1, Division 9, Plat of
Surfside Estates

Tax Identification No.: To be assigned

For and in consideration of the settlement of a dispute regarding the ownership of certain accreted lands, Pacific County, a Washington political subdivision, Grantor, hereby conveys and quit claims to Eleanor Joan Wilson, Grantee, subject to the covenants, conditions and restrictions contained herein, the following described real property, situated in Pacific County Washington, along with all after acquired title therein, to wit:

All those accreted lands adjacent to and abutting upon Lot 2, of Block 1, of Division 9, of the Plat of Surfside Estates, as recorded in Volume H of Plats at pages 52-54, records of Pacific County, Washington, lying west of the Line of Upland Ownership as shown on said Plat and east of the line of ordinary high tide of the Pacific Ocean (the Property”).

This conveyance and the Property is subject to the following covenants, conditions and restrictions which shall run with the Property and shall bind Grantee and Grantee's heirs, successors and assigns:

1. The Property is hereby merged with and becomes part of Lot 2, Block 1, Division A of the plat of Surfside Estates as recorded in Volume H of Plats, page 525 records of Pacific County, Washington (the "Lot") as fully and to all extent as if the Property had been included as part of the Lot when the Lot was platted without limiting the generality of the foregoing statement, the Property and the Lot will be treated as one lot for land use purposes.
2. No house or other structure may be built on the Property. No development of any kind, other than dune modification after obtaining all required permits and complying with all applicable laws, shall be permitted on the Property.
3. The Property shall never, in any way or for any purpose, be separated from the Lot. Neither the Lot nor the Property may be conveyed, transferred or encumbered unless the other is also conveyed, transferred or encumbered, as the case may be, by the same instrument, to the same grantee and under identical terms. Any conveyance, transfer or encumbrance of the Property or the Lot shall equally apply to the other, regardless of whether the other is described in the instrument.

Without in any way limiting the generality of the foregoing sentence, the Restrictive Covenants of Surfside Estates and similar requirements applicable to the Lot, as the same exists from time to time, apply to the Property to the full extent and identically as they apply to the Lot.
5. Each easement or other right, regardless of how created, that grants to the public, to any person or entity and/or to any other property rights over, under, in, through, upon, to, to use and/or with respect to any portion or strip of the Lot that extends to the western boundary of the Lot shall apply to the contiguous portion of the Property (for the full north to south dimension of said easement or other rights) from the east boundary of the Property to the west boundary of the Property, as the same may exist from time to time, as if said easement or other right had, when granted or created, included said portion on the Property, and the Property is hereby burdened with said easement or other rights.
6. Any deed of trust, mortgage or other instrument that encumbers the Lot shall also and identically encumber the Property. In the event of any foreclosure or a deed-in-lieu of foreclosure of the Lot, the Property shall, whether it is foreclosed upon and/or described in the instrument or not, be foreclosed upon and/or conveyed by such conveyance, as the case may be.

7. Notwithstanding any other provision of these covenants, conditions and restrictions, if the Lot is comprised of more than one platted parcel, then these covenants, conditions and restrictions shall apply to bind each portion of the Property to the adjacent platted parcel and not to any other platted parcel that may be part of the Property.
