

Press Release  
NOTICE OF PACIFIC COUNTY PLANNING COMMISSION  
PUBLIC WORKSHOP

NOTICE IS HEREBY GIVEN that it is the intention of the Pacific County Planning Commission to hold a public workshop on the Pacific County Comprehensive Plan update at the following time and location. The regularly scheduled Planning Commission meeting will be substituted by the workshop.

MEETING CANCELLED – The regularly scheduled March meeting has been cancelled.

WORKSHOP – Conference Room “A” at the Pacific County Administrative Facility located at 7013 Sandridge Road, Long Beach, Washington at the hour of 6:00 p.m., or as soon thereafter as possible on March 7<sup>th</sup> 2019.

The purpose of the workshop is to continue the review for the Pacific County Comprehensive Plan. The Washington State Growth Management Act requires each jurisdiction to conduct a periodic review of their comprehensive plans and associated development regulations. Pacific County is initiating this process and will be systematically evaluating each component of the current 2010 plan and determining whether modifications are necessary. Additional workshops may be scheduled as necessary. Workshop schedules and materials can be found on the County’s website at: [www.co.pacific.wa.us/dcd/Planning\\_Commission.htm](http://www.co.pacific.wa.us/dcd/Planning_Commission.htm). At the conclusion of the workshop phase of this process, Pacific County will initiate both the SEPA preparation/review process, and the formal public hearing/review process. The purpose of the workshop phase is to seek public input on plan matters of importance. The workshops will function in a sequential manner in that each workshop will cover a specific area of the plan with the next workshop moving onto the next area of the plan. Pacific County will be analyzing population trends, land use development patterns, community input and capital improvement programs to determine whether changes to the existing plans are necessary.

Anyone interested in this process, the upcoming workshops or the formal review process is encouraged to participate in the process by attending the workshops or submitting comments via email or in writing. Information/comments/suggestions may be sent to Tim Crose, Director, Pacific County Department of Community Development, P.O.
